It Was A Pretty Good

It Was A Pretty Good synonyms. Top synonyms for it was a pretty good (other words for it was a pretty good) are it was a great, it was a good and it was a nice.

43 It Was A Pretty Good synonyms - Other Words for It Was ...

I might suggest that one engaging way to capture this in English, admittedly a bit loosely, is to say that something is ‘pretty good’. In the Old Testament beautiful things are tob. A wife for example is tob (Prov 18:22): a joy, a delight: good and beautiful. What’s good is, in this particular way, ‘pretty good’ - in the broad sense of ‘pleasing’, whether to the eyes, or the heart, or just in general making your experience of life altogether a better, richer experience.

Invariably when he does it, it's actually pretty good." However, don't expect to see the All Blacks relying too much on Sotutu kicking for touch in tomorrow's clash.

“[A] new literary genre, the MBA Memoir . . . Delivers 97 pearls of warmth, wit and wisdom from the most inspirational entrepreneur I have ever met.” –Frances Edmonds, bestselling author of Repotting Your Life Called the “Queen of Beauty” and the most influential lone woman to impact the beauty industry since Estée Lauder by the New York Times, Leslie Blodgett’s story is anything but ordinary. As the CEO of BareMinerals, she reinvented how beauty was sold by tapping into the power of community before the idea of social media existed. In 2006, Blodgett took the company public in one of the largest cosmetic IPOs of the decade, and in 2010, the company was acquired for \$1.8 billion. Pretty Good Advice is her next chapter. This refreshing book features 97 candid and entertaining insights on business, life, and beauty. Personal and often surprising, Blodgett dishes on leading with humor, why wearing blush and reading obituaries are two of the most optimistic things you can do, and why you owe it to your coworkers not to be boring. Pretty Good Advice is full of frank, actionable advice to help light a fire under you. “If you want to laugh, get totally inspired, learn a bunch and enjoy reading something so engrossing you won’t put it down but you could because it’s written in these amazing one-ish-page chunks, GET IT. Could not be better for right now.” –Jean Godfrey June, Beauty Editor, GOOP “A moving and clear-eyed memoir of an extraordinary life. Charmingly made-up as a how-to guide, Leslie chronicles that life in vivid and memorable lessons that jump off the page.” –John W. Evans, author of Should I Still Wish

Larry David, the man behind two of the most successful and critically acclaimed sitcoms in television history, is the focus of this biography. This unofficial guide follows the career that has accorded him status as a comic genius and garnered a fanatical following—from his early exploits as a stand-up comic to his role as producer and cocreator of Seinfeld and HBO’s Curb Your Enthusiasm. It explores the back-story of the conception and development of Curb Your Enthusiasm, a mostly improvised sitcom in which the actor stars as a fictionalized version of himself. The comic’s on- and off-screen relationships with colleagues and friends such as Richard Lewis, Ted Danson, Wanda Sykes, Mary Steenburgen, and the cast members of Seinfeld are discussed, and a detailed episode guide to every season of Curb Your Enthusiasm completes this informative and entertaining glimpse into the life and creative process of a great comic talent.

Pretty Good House provides a framework and set of guidelines for building or renovating a high-performance home that focus on its inhabitants and the environment—but keeps in mind that few people have pockets deep enough to achieve a "perfect" solution. The essential idea is for homeowners to work within their financial and practical constraints both to meet their own needs and do as much for the planet as possible. A Pretty Good House is: * A house that's as small as possible * Simple and durable, but also well designed * Insulated and air-sealed * Above all, it is affordable, healthy, responsible, and resilient.

Over 2,200 Jokes from America’s favorite live radio show A treasury of hilarity from Garrison Keillor and the cast of public radio’s A Prairie Home Companion. A guy walks into a bar. Eight Canada Geese walk into a bar. A termite jumps up on the bar and asks, “Where is the bar tender?” Drum roll. The Sixth Edition of the perennially popular Pretty Good Joke Book is everything the first five were and more. More puns, one-liners, light bulb jokes, knock-knock jokes, and third-grader jokes (have you heard the one about Elvis Parsley?). More religion jokes, political jokes, lawyer jokes, blonde jokes, and jokes in questionable taste (Why did the urologist lose his license? He got in trouble with his peers). More jokes about chickens, relationships, and senior moments (the nice thing about Alzheimer’s is you can enjoy the same jokes again and again). It all started back in 1996, when A Prairie Home Companion fans laughed themselves silly during the first Joke Show. The broadcast was such a hit that it became an almost-annual gagfest. Then fans wanted to read the jokes, share them, and pass them around, and the first Pretty Good Joke Book was born. With over 200 new and updated jokes, the latest edition promises countless giggles, chortles, and guffaws anyone—fans of the radio show or not—will enjoy.

PGP is a freely available encryption program that protects the privacy of files and electronic mail. It uses powerful public key cryptography and works on virtually every platform. This book is both a readable technical user's guide and a fascinating behind-the-scenes look at cryptography and privacy. It describes how to use PGP and provides background on cryptography, PGP's history, battles over public key cryptography patents and U.S. government export restrictions, and public debates about privacy and free speech.

Everyone knows how to live the good life in Paris, Provence, or Tuscany. Now, Matthew Amster-Burton makes you fall in love with Tokyo. Experience this exciting and misunderstood city through the eyes of three Americans vacationing in a tiny Tokyo apartment. Follow 8-year-old Iris on a solo errand to the world's greatest supermarket, picnic on the bullet train, and eat a staggering array of great, inexpensive foods, from eel to udon. A humorous travel memoir in the tradition of Peter Mayle and Bill Bryson, Pretty Good Number One is the next best thing to a ticket to Tokyo. Includes a new afterword by the author featuring Christmas in Tokyo, fried UFOs, a robotic sushi restaurant, and more. "The layers of the city, its extraordinary food pleasures, its quirkinesses, emerge as the author and his family spend an intense month living in Tokyo and exploring widely...Warning: this book will make you hungry. You'll yearn, as I do, to catch the next plane to Tokyo, so you can get eating." –Naomi Duguid, writer and traveler; her most recent book is BURMA: Rivers of Flavor (Artisan 2012) "This is the book I've been hoping Matthew would write: smart, opinionated, and wickedly funny, crammed with in-the-know tips and observations about visiting Tokyo. From the intricacies of garbage sorting to the chirpy jingle for the local supermarket, the pleasures of pan-fried soup dumplings to the pain of junsai, I laughed, cringed, and got so hungry that I had to eat three bowls of cereal to make it to the end. I love this book." –Molly Wizenberg, author of A Homemade Life and creator of Orangette

The first book devoted entirely to women in bluegrass, Pretty Good for a Girl documents the lives of more than seventy women whose vibrant contributions to the development of bluegrass have been, for the most part, overlooked. Accessibly written and organized by decade, the book begins with Sally Ann Forrester, who played accordion and sang with Bill Monroe's Blue Grass Boys from 1943 to 1946, and continues into the present with artists such as Alison Krauss, Rhonda Vincent, and the Dixie Chicks. Drawing from extensive interviews, well-known banjoist Murphy Hicks Henry gives voice to women performers and innovators throughout bluegrass's history, including such pioneers as Bessie Lee Mauldin, Wilma Lee Cooper, and Roni and Donna Stoneman; family bands including the Lewises, Whites, and McLains; and later pathbreaking performers such as the Buffalo Gals and other all-girl bands, Laurie Lewis, Lynn Morris, Missy Raines, and many others.

A comical story about a new kid who really, really wants to make friends

THE BEST WAY TO BECOME A ROCK STAR IS SOMETIMES THE WORST WAY TO BECOME A ROCK STAR Unruly and antagonistic, the Washington State rock trio Modest Mouse would seem like one of the least likely candidates for mainstream stardom: Their often brilliant live performances sometimes collapsed into utter chaos. Their highly original, highly off-center songs ran as long as eleven minutes. And their leader managed to raise eyebrows among music writers, law officials . . . and sometimes even his fans. But Modest Mouse persevered. They didn't compromise their original, compelling musical style, nor did they lighten up on the attitude. They just waited for the world at large to catch up. In 2004, with the release of their smash single "Float On," it finally happened. And it was worth the wait. For everybody. Journalist Alan Goldsher uncovers the strange, little-known details of

Modest Mouse's rise from DIY indie heroes to platinum-selling, Grammy-nominated international superstars. Goldsher also reveals the troubled background and fractured history of frontman Isaac Brock, a charismatic, cantankerous singer/songwriter who has spent as much time avoiding the media as he has attempting to control it. Thoroughly researched, sharply funny, and filled with more than thirty rare photos, this unauthorized biography shows how Modest Mouse trashed the Behind the Music mold and created their own unique version of the rock 'n' roll, rags-to-expensive-rags success story.
