Female-to-male crossdressing became all the rage in the variety shows of nineteenth century America, and began as the domain of mature actresses who desired to extend their careers. These women engaged in the kinds of raucous comedy acts usually reserved for men. Over time, as younger women entered the specialty, the comedy became less pointed, and came to center on the celebration of male leisure and fashion. Gillian M. Rodger uses the development of male impersonation from 1820 to 1920 to illuminate the history of the variety show. Exploding notions of high- and lowbrow entertainment, Rodger looks at how both performers and forms consistently expanded upward toward respectable ” and richer ” audiences. At the same time,

she illuminates a lost theatrical world where women made fun of middle class restrictions even as they bumped up against rules imposed in part by audiences. Onstage, the actresses' changing performance styles reflected gender construction in the working class and shifts in class affiliation by parts of the audiences. Rodger observes how restrictive standards of femininity increasingly bound male impersonators as new gender constructions allowed women greater access to public space while tolerating less independent behavior from them.

Carly Simon's New York Times bestselling memoir, *Boys in the Trees*, reveals her remarkable life, beginning with her storied childhood as the third daughter of Richard L. Simon, the co-founder of publishing giant Simon & Schuster, her musical debut as half of The Simon Sisters performing folk songs with her sister Lucy in Greenwich Village, to a meteoric solo career that would result in 13 top 40 hits, including the #1 song "You're So Vain." She was the first artist in history to win a Grammy Award, an Academy Award and a Golden Globe Award, for her song "Let the River Run" from the movie *Working Girl*. The memoir recalls a childhood enriched by music and culture, but also one shrouded in secrets that would eventually tear her family apart. Simon brilliantly captures moments of creative inspiration, the sparks of songs, and the stories behind writing "Anticipation" and "We Have No Secrets" among many others. Romantic entanglements with some of the most famous men of the day fueled her confessional lyrics, as well as the unraveling of her storybook marriage to James Taylor.

When the only way to win is to hide who you are, how far are you prepared to go? Reuben "Angel" Jacobs is one step away from giving it all up. sense of other people ' s ' normal ' is hard in itself, let alone in the chaos of a high-powered competition. Singing is his safe space, the only way he can think through the noise in his head. Messing up his audition for the live shows means his journey is over, and it ' s the worst day of his life. The judges throw them a lifeline and create a boy band from the near-miss hopefuls. Angel, Corey, and three others are put together in a room and offered the chance to sing as a group. Agreeing to become part of the new band means Corey has to hide who he is and what Angel has come to mean to him.

Underneath these gang tattoos beats a heart three times a year. I'm a slow puncture death, a murderer, a rapist, and a number. I killed my best friend. Death doesn't stalk me, it walks ahead of me by twenty-eight paces. I went home after I sold my soul to the devils. I thought life would begin, I was a free man, instead within days the bullets fly and my last hope dies with the slain. There is nothing left to live for in this world. I belong to the 28s, I'll always belong to the 28s. The woman across the road judges me, she hates me, and takes every opportunity to let me know it. Yet, somehow, when grief etched our names down in the book of the dead, we dared be bold enough to find love. I'm not a good man, and I'm not pretty. I come from the Cape Flats where my life was reduced to a prison cell number. In all this ugliness I found beauty, innocence, and forgiveness. I can't forgive myself for the crimes I've committed, but I'll die trying to earn hers. In a world where nothing matters, she does.
