Pastor Bill Hybels's firm conviction is that the highest value in personal evangelism is being attuned to and cooperative with the promptings of the Holy Spirit. This means playing only the role you are intended to play—walking when the Spirit says to walk, talking when the Spirit says to talk, and falling silent when the Spirit suggests that you've already said enough. More than two thousand years ago, Jesus himself introduced the perfect model for evangelism. He left the marvelous adoration of the angels and the perfection of heaven, and he chose to “walk” clear across the cosmos. He had no memorized script, no forced formulas. Instead, he was armed only with an offer of redemption to people just like you and me, many of whom were neck-deep in pain of their own making. Today, the goal for every Christian is to reflect Christ's love and follow his example by taking simple walks across rooms—leaving our circles of comfort and extending hands of care, compassion, and inclusiveness to people living far from God. Designed for use with the video.

What if you knew that by simply crossing the room and saying hello to someone, you could change that person's forever? Just a few steps to make an eternal difference. It has nothing to do with methods and everything to do with taking a genuine interest in another human being. All you need is a heart that's in tune with the Holy Spirit and a willingness to venture out of your “Circle of Comfort” and into another person's life. Just Walk Across the Room brings personal evangelism into the twenty-first century. Building on the solid foundation laid in Becoming a Contagious Christian, Bill Hybels shows how you can participate in the model first set by Jesus, who stepped down from heaven 2,000 years ago to bring hope and redemption to broken people living in a fallen world. Now it's your turn. Your journey may not be as dramatic, but it can have a life-changing impact for someone standing a few steps away from you—and for you as well, as you learn the power of extending care, compassion, and inclusiveness under the guidance of the Holy Spirit. The highest value in personal evangelism is cooperating with the Spirit, says Hybels. This means playing only the role you're meant to play—walking when the Spirit says to walk, talking when he says to talk, and falling silent when he suggests that you've said enough. Hybels encourages you to “live in 3D” ... —Developing friendships —Discovering stories —Discerning appropriate next steps ... as a means of learning to understand the Holy Spirit's promptings. With fresh perspectives from his own reflections and experiences collected during his most recent decade of ministry, Bill Hybels shows with convincing and inspiring clarity the power of this personal, richly relational approach to evangelism. The stakes are high. The implications are eternal. And you may be only a conversation away from having an eternal impact on someone's life—if you will just walk across the room.

FOR DISTRIBUTION OUTSIDE THE USA. Believers universally affirm that evangelism is a vital part of what God calls them to do, but very few make a practice of doing it. They feel awkward and ill-equipped, either because they've never been trained, or because their lack of interaction with non-Christians prevents them from using and developing the skills they do have. Bill Hybels addresses these concerns and signals the next era in personal evangelism with Just Walk Across the Room. Drawing on fresh perspectives from the author's own experiences, as well as time-tested and practical illustrations, Just Walk Across the Room encourages and equips readers to routinely initiate spiritual conversations with those who don't know Christ.

Brian Bouldrey traveled to the island of Corsica, with its wine-dark Mediterranean waters, powdered-sugar beach sand, sumptuous cuisine, and fine wine. And then he walked away from all of them. Bouldrey strapped on a backpack and walked across Napoleon's native land with the same spirit many choose to dance or drink: to celebrate, to mourn, to think, to avoid thinking, to recall, to ignore, to escape, and to arrive. This wonderfully textured account of a two-week ramble along a famous Corsican hiking trail with his German friend Petra (she was good at the downhill while he was better at the uphill) offers readers a journal that is a launching point for reflection: thoughts on cultural differences, friendship, physical challenge, personal challenge, and getting very, very lost. Part travelogue, part memoir, and part lampoon, this book offers readers an impressionistic view of a little talked about yet stunningly beautiful landscape. The Old Testament is our "kindergarten" for understanding the pattern of the Holy Spirit's gifting and work. That pattern is this: God gives an assignment to a person; then the Holy Spirit is given to equip him or her for the assignment. The proof of the Spirit's presence is that the person is able to complete the assignment effectively through the supernatural enabling of the Holy Spirit. Truly understood and embraced, the Holy Spirit's gifts allow the Church to be Christ-centered, to maintain unity and oneness of heart, and to practice genuine, powerful love. WHAT EXACTLY HAVE YOU BEEN GIVEN? Surprises are in store when we explore biblically what spiritual gifts really are, how they fit with our natural strengths and talents, and how they match our calling and assignments from God. This book will help restore the Holy Spirit to the center of your understanding and practice of spiritual gifts, and set you free to serve God as never before. "There's a cancer, and it's killing our democracy. A poor man has to sell his soul to get elected. I cry for this country." On February 29, 2000, ninety-year-old Doris "Granny D" Haddock completed her 3,200-mile, fourteen-month walk from Los Angeles to Washington D.C. She walked through 105-degree deserts and blinding blizzards, despite arthritis and emphysema. Along her way, her remarkable speeches — rich with wisdom, love, and political insight — transformed individuals and communities and jump-started a full-blown movement. She became a national heroine. On her journey, Haddock kept a diary — tracking the progress of her walk and recalling events in her life and the insights that have given her. Granny D celebrates an exuberant life of love, activism, and adventure — from writing one-woman feminist plays in the 1930s to stopping nuclear testing near an Eskimo fishing village in 1960 to Haddock's current crusade. Threaded throughout is the spirit of her beloved hometown of Dublin/Peterborough, New Hampshire — Thornton Wilder's inspirations for Grover Croner in Out Town — a quintessentially American center of New England pluck, Yankee ingenuity and can-do attitude. Told in Doris Haddock's distinct and unforgettable voice, Granny D will move, amuse, and inspire readers of all ages with its clarion message that one person can indeed make a difference.
