terenskim delom po različnih slovenskih pokrajinah srečal pred svojim raziskovanjem Rezije. Je prva v nizu monografskih predstavitev slovenskih folklornih pripovedovalcev v knjižni zbirki »Slovenski pravljicarji«. Gradivo je žanrsko raznovrstno: zajema kratke šaljive povedke, legende in zgodovinske povedke ter anekdote, epsko bogato razvite živalske in čudežne pravljice. Gradivo uvaja obsežna spremna študija Anje Štefan (O pripovedovalcu, zbiranju in objavi njegovih pripovedi). Pripovedi so za objavo zapisane v dosledno poenostavljenem dialektološkem sistemu dolenjščine, kar omogoča večjo berljivost besedila.

(MSW) A longtime social-work professional, grandparenting activist and passionate Grandpa guides you toward The Grandest Love of all, with fresh approaches to age-old questions: HOW CAN I... help my family stay connected, regardless of time, distance or income? remain vital and "in the loop" in my grandchildren's rapidly changing world? maintain appropriate boundaries and promoting healthy interdependence? maximize open communication among three generations? leave a meaningful legacy, a "living legacy" I can take pride in, today? The Grandest Love will help you make the most of the family you've got. Read what reviewers are saying about The Grandest Love!

the Ugaritic texts. Of interest and importance for a general readership, as well as students and specialists in biblical, classical and religious studies. As well as being intrinsically fascinating, the Ugaritic texts have long been recognized as basic background material for Old Testament study. Ugaritic deities, myths, religious terminology, poetic techniques and general vocabulary are widely encountered by the attentive reader of the Hebrew Bible. The present edition offers an up-to-date translation and commentary based on scrutiny of the original tablets and the most recent academic discussion. While addressing the needs of accurate translation it also attempts to take seriously demands for a readable English version.

Maybe your grandchildren are living with you. Maybe they're thousands of miles away. Their parents may be spiritually rebellious or simply neglectful of the family's spiritual life, failing to make prayer and church attendance a regular part of their routine. But even if your grandchildren's parents have established a strong Christian home, busy schedules, jobs, parenting, and all the distractions of today's world conspire to distract or even destroy the family. How can you, as a grandparent, help? God gives grandparents a sacred trust an opportunity to imprint another generation with the message of his faithfulness. You can stand in the gap by being a godly example for your grandchildren and by praying for them. Even grandparents who already pray regularly for their grandchildren will discover creative suggestions for making

the practice even more meaningful. From cell phones to photo prayer journals, you'll find tools that work for you and for your grandchildren. Author Lillian Ann Penner provides specific examples of prayers to help you get started, such as alphabet prayers, prayers based on special scriptures, and prayers for certain holidays. You may even widen the circle, praying for other children in your life, for children who have parents in the military, and for the adults who influence your grandchildren. Regardless of how far away your grandchildren are, praying for them can bridge the distance between you and leave them with an inheritance more precious than gold.

Diabetes Freedom - I Reversed My Type 2 Diabetes And You Can Too...

Hidden in the mountains of East Tennessee, an eleven-year old goes about the business of being a boy during the summer of 1970. Within a balance of terror and innocence, he bears silent witness to ghosts of the dead and the cruelties of a teenage killer while local justice plays out in a community carved from legacies of coal mining and religion.

Nearly half a million children are in foster care. Most placements fail. Will seven-year-old Maresa's? "It starts with a face in a binder.

CHILDREN AVAILABLE, reads the cover." So begins Rachel Howard's intimate and heartbreaking novel about a couple hoping to adopt a child from foster care, then struggling to make it as a family. Seven-year-old Maresa arrives with an indomitable spirit, a history of five failed foster care "placements," and a susceptibility to angry panic attacks fueled by memories of abuse. Maresa's new foster mother, whose name the reader never learns, brings good intentions but also her own history of trauma, while her husband's heart condition threatens to explode. These three flawed but deeply human characters want more than anything to love each other--but how does a person get to unconditional love? Over the course of a year, as Maresa approaches the age at which children become nearly impossible to place, all three must discover if they can move from being three separate people to a true family—or whether, almost

unthinkably, the adoption will fail. Written in a spare and thought-provoking style evoking aspects of Jenny Offill and Rachel Cusk, *The Risk of Us* deftly explores the inevitable tests children bring to a marriage, the uncertainties of family life, and the ways true empathy obliterates our defenses.
