Latin American State Building in Comparative Perspective ...

'State Building in Latin America can only be described as a magisterial book. Soifer provides both a rich theoretical explanation for why states develop or not and then presents a wealth of data to support his claims. Bringing in the political origins and consequences of bureaucratic recruitment links it to the best work in a Weberian tradition.

State Building in Latin America by Hillel David Soifer

It examines the nineteenth century from the end of the colonial period and independence through to the decolonisation of Cuba. It has a particular focus on the cases of Argentina, Bolivia, Colombia, Chile, Cuba, Mexico, Peru, and Venezuela. Topics include the recurrence of internal and external wars, tensions between the center and regions, the development of export markets and its links to the creation of stability, caudillismo, and the importance of ideology in state building.

Review of State Building in Latin America | Council on ...

State Building in Latin America. By Hillel David Soifer. Cambridge University Press, 2015, 307 pps. Hillel Soifer ' s powerful new book proposes a solid and original theory of state-building in Latin America. In recent years the study of how states formed and develop has become a burgeoning subfield, and Soifer aims to tell the Weberian—if not Hobbesian—story of Latin American states; one that is told from within the state.
