**Lectures On Urban Economics Solution**

This June and July, the Urban Economics Association is organizing a weekly online lecture series on urban economics. The purpose of these lectures is to provide PhD students, post-docs and junior faculty with an introduction to the current research frontier in urban economics. We interpret urban economics broadly, including housing, real estate, transportation, local public good provision, the spatial distribution of activities, economic geography, and urban or regional policy. Schedule. 11 ...
