A charming and fun read for the beach or your couch. The book describes with hilarity and horror the life of Tess, a working mom who has to deal with a childless dragon-lady boss, crazy kids, a no-show nanny, and a workaholic husband. The book is a little bit "I Don't Know How She Does It" crossed with "The Devil Wears Prada."

I hope she can feel her readers still pulling for her long after we put the book down.
