Looking Askance: Skepticism and American Art from Eakins to Duchamp. by. Michael Leja. 3.69 · Rating details · 16 ratings · 1 review. If seeing ever really was a reason for believing, it surely was not in New York around 1900. The rift between appearances and truth was widening: deceptive images flourished in advertising and mass media; science contradicted unaided vision; the spirit world gained credibility; and hucksters, frauds, and hoaxes proliferated.
