Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

This is one of the first complete surveys of McCulloch's work, and it shows his thought to have been far more complex and comprehensive than has previously been realized.

Covers models manufactured through 1998.

This quick-access resource delivers a practical orientation for the cath lab. For nurses with a background in cardiac care or intensive care, the cath lab is replete with new challenges and learning opportunities. It is an increasingly complex environment with increasingly challenging procedures. Most effectively run by an interdisciplinary team, all healthcare providers in the cath lab uphold different roles to contribute to patient care and achieve successful procedural outcomes. Fast Facts for the Cath Lab Nurse clearly presents the role of the nurse in the cath lab and how to assist with basic and advanced cath lab procedures. Written in a simple, easy-to-read format with streamlined, bulleted information, this orientation guide breaks down procedures and provides essential information for each step. Chapters cover interpreting pressure waveforms, understanding various calculations, identifying angiographic images, and more competently providing care to patients in the peri-procedural period. Key Features Provides tables, examples of common hemodynamic calculations, images of pressure waveforms and angiogram Begins each chapter with key learning objectives Provides a quick anatomy review Assists with Registered Cardiovascular Invasive Specialist (RCIS) certification

In his debut book of poetry, McCulloch seeks to capture the different aspects of life. He writes about love, faith, relationships and takes the opportunity to reveal the vulnerable depths of his soul. McCulloch will stir your emotions. You will laugh, cry....and just share his world.
