In line with changes in other specialty exams, the MRCGP now consists of a written exam, a formal clinical skills assessment and workplace-based assessment. The written paper encompasses clinical scenarios, hot topics and critical reading, and is in the form of a 200 question MCQ exam known as the Applied Knowledge Test (AKT).

The Applied Knowledge Test (AKT) is a computer-based assessment that forms part of the MRCGP. It tests the knowledge base behind independent general practice in the UK within the context of the NHS. Trainees who pass will show they can apply knowledge at a high enough level for independent practice. The AKT takes place three times a year at Pearson VUE test centres across the UK.
