Why collections must stay at the heart of the 21st-century museum. A deeply felt study of the importance of museums stresses how central objects are to their function and future. Do museums need to be more socially engaged? Alistair Hudson and Elisabeth Callihan ask whether today's museums could be more useful.

[What are museums really for? | Apollo Magazine](#)

What exactly is a museum? The answer might once have been fairly uncontroversial, given well-established roles of cultural institutions to acquire, conserve, research, communicate and exhibit their collections. Yet today in the age of the 'woke' museum, when so many cultural institutions feel the need to name-check a heady litany of issues – from Western [...]

What should be the role of museums in the 21st century ...

'Museums in the 21st Century' was on view at the Louisiana Museum, Humlebaek, Denmark, from 20 June until 14 September 2008. It is next on display at the National Museum of Art, Architecture and Design, Oslo, Norway, from 10 October 2008 until 11 January 2009, and then goes on show at the University of Michigan Museum of Art, USA, from 6 February until 3 May 2009.

Museums in the 21st century - Studio International

You may be accustomed to visiting art, history and science museums, but in recent years museology has expanded to include for instance a National Language Museum, which opened in Washington DC in 2008, and currently operates only as a virtual museum, although some of its exhibits are available for loans; or the National Museum of Mathematics, which opened in New York City in 2012, and whose exhibits include seeing math as everyday experiences, news from the world of mathematics, but also ...

The Role of Museums in the 21st Century – Art in the Catskills

Traditional museums may be preoccupied with dusty material culture but, in our 21st-century “experience economy”, visitors demand much more than simply pictures on the wall.’ – Commercial Manager, the Ormesby St Margaret Institute for International Visual Culture ‘Above all, museums are about stories.

How Should We Define a Museum in the 21st Century? | Frieze

London's Science Museum, founded in 1857, eventually was moved to specially built premises in 1919 and is now one of three museums that constitute the National Museum of Science and Industry. Similarly, the Deutsches Museum (German Museum) in Munich was transferred to new premises in 1925, and its growth continued throughout the century. Both established worldwide reputations for excellence in interpreting science and technology for the general public.
