The song "Grim Grinning Ghosts," composed in the late 1960s, continues to reside in the dark corridors and spooky cemetery of the Haunted Mansion. Millions of guests leave the mansion with not only a hitchhiking ghost but also this jaunty tune catching a ride all the way home. In this hardcover jacketed picture book, James Gilleard's shadowy, textured illustrations accompany the lyrics of the classic song, and together they take readers on a guided tour deeper and deeper into the mansion, from the portrait gallery and seance room to the grand hall, the creepy attic, and more.

phases of economic reform; from its accession to the WTO to the unprecedented process of urbanization, the book uses four chapters to depict in a chronological order how China becomes what it is today. For scholars on modern Chinese economy, this book offers a detailed account of a wide range of events that happened during clearly-divided time periods. On this basis, they can deepen their research on different individual subjects. Teachers of universities and colleges may use this book as a reference when preparing relevant courses. For economics majors, this book is a key that helps them clarify important issues. Learners who are interested in knowing more about China, especially the dramatic changes that have taken place in its economic scene, can equally acquire the needed facts and figures.

In this heartwarming essay collection, dozens of authors, actors, artists and others imagine one last lunch with someone they cherished. A few years ago, Erica Heller realized how universal the longing is for one more moment with a lost loved one. It could be a parent, a sibling, a mentor, or a friend, but who wouldn't love the opportunity to sit down, break bread, and just talk? Who wouldn't jump at the

chance to ask those unasked questions, or share those unvoiced feelings? In *One Last Lunch*, Heller has asked friends and family of authors, artists, musicians, comedians, actors, and others, to recount one such fantastic repast. Muffie Meyer and her documentary subject Little Edie Beale go to a deli in Montreal. Kirk Douglas asks his father what he thought of him becoming an actor. Sara Moulton dines with her friend Julia Child. The Anglican priest George Pitcher has lunch with Jesus. And Heller herself connects with her father, the renowned author Joseph Heller. These richly imagined stories are endlessly revealing, about the subject, the writer, the passage of time, regret, gratitude, and the power of enduring love.

This last book in the six-volume series from NEXTmanga combines cutting-edge illustration with fast-paced storytelling to deliver biblical truth to an ever-changing, postmodern culture. More than 10 million books in over 40 different languages have been distributed worldwide in the series.
