will bring them to The Necropolis. And once we have all five of them, we can hold them separately, imprison them, torture them and keep them alive until the end of time. Everything is now set. The Gatekeepers have no idea how strong we are, how far we have advanced. Our eyes are everywhere, all around the world, and very soon the battle will begin.

The fourth book of the Gatekeepers series. Follows the story of the last of the five children of the series as she learns that she is different. She must go through a series of trials and disaster to overcome the Evil Ones. Great read but must read the whole series.

The stakes get higher in #1 NYT bestselling author Anthony Horowitz's latest masterpiece.As the fourth novel in the spellbinding Gatekeepers series begins, the world is under the greatest threat it's ever known. The evil corporation Nightrise has amassed an immense amount of power . . . and the devastating force of the Old Ones is about to be unleashed around the globe. To stop this from happening, Matt and three of the Gatekeepers head to Hong Kong--not just the modern city of skyscrapers and wealth, but the secretive underworld beneath. In Hong Kong they will meet the final Gatekeeper, a girl named Scarlet, whose fate is inextricably joined to their own....

Evil has been unleashed on the world and only five children - with special powers - can save it. Matt and the others desperately need to find Scarlett, the final gatekeeper, who has been trapped in Hong Kong, where puddles of water turn into puddles of blood, where ghosts, demons and hideous creatures stalk the streets.

Having escaped from Hong Kong, fifteen-year-old Matt and four other Gatekeepers take an ultimate stand against a destructive evil force that has unleashed a decimating storm as part of a plot to end the world.

14-year-old twins Jamie and Scott Tyler are performing a mind-reading act in a dingy theatre. But when a sinister multinational corporation, Nightrise, kidnaps Scott, Jamie is left alone - and wanted for murder.

Matt has always know he has unusual powers. Raised in foster care, he is sent to Yorkshire on a rehabilitation programme, only to find himself in the midst of sinister goings-on centring on a battle between eight guardians and a group of devil worshippers seeking to release evil ones who must be stopped.

To stop the evil corporation Nightrise from unleashing its devastating power around the globe, fifteen-year-old Matt and three other Gatekeepers travel to Hong Kong to find Scarlet, the final Gatekeeper, whose fate is inextricably joined to their own.

The second thrilling, chilling installment in Anthony Horowitz's bestselling Gatekeepers series. Matt thought his troubles were over when he closed Raven's Gate . . . but in fact they were just beginning. His fate -- and the fate of the world -- is tied to four other kids across the globe. The second is a street kid in Peru. He and Matt have never met; they don't even speak the same language. But destiny is going to throw them together as the evil threat of the Old Ones grows . . . and another Gate suddenly comes into play.

After his experiences at Raven's Gate, 14-year-old Matt Freeman thinks his days of battling evil are over. But soon he is pulled into another adventure when he discovers a second gate exists. Matt and his friend Richard travel to Peru and, assisted by a secret organization, follow a series of clues to the gate's whereabouts.

Where does true adventure come from? A young Latino boy and his grandfather find the true answer together.

Fifteen-year-old MI6 agent Alex Rider travels around the world on a dangerous mission to destroy the deadly terrorist organization, Scorpia, once and for all.
