"Be honest! Do you keep telling yourself you'll go home and finally organize all those clothes and papers and other possessions that just seem to multiply when you're not looking? But maybe, just maybe, you can't help from thinking that the last time you went to the trouble of reorganizing, it all just magically went back to being messy within about a day and a half? Join the club. When you have a busy life -- and who doesn't these days? -- it's impossible to find enough time to keep cleaning up the same mess over and over again. You pick up all the papers, and the next time you walk in the kitchen there's a pile sitting there -- taunting you. Where does it all come from? And why won't it go away? Of course, the whole idea of becoming organized is that you won't have to do it over and over again. But have you found that magic system yet? Never fear, if you're holding this book in your hands right now, the good news is that you have! Help, I'm Knee-Deep in Clutter! is a sanity-saving book that empowers you to conquer the chaos once and for all. Organization expert Joyce I. Anderson gives you simple, realistic solutions for getting things under control not just immediately, but permanently. You'll find that getting organized is surprisingly easy if you have a plan of attack. Filled with helpful charts, checklists, and other clutter-busting companions, this snappy guide shows you exactly how to: corral the biggest clutter culprits and start making a difference right away \* set up simple daily and weekly routines to keep the mess at bay \* break big, overwhelming clean-up jobs (like the basement, garage, and closets) into smaller, more manageable tasks \* and much more You'll find easy-to-implement strategies, instantly usable tools, and all the guidance, humor, and inspiration you need to make a huge difference in your home and your life without breaking a sweat. Help, I'm Knee-Deep in Clutter! gives you the straightforward and sensible solutions you need to de-clutter every room in your home, and keep it that way once and for all! Really!"

Every thought you have, has an emotion attached to it. Everything's made of energy and it's vibrating in your subconscious mind with a certain frequency. What we can do to help ourselves to calm our mind, to be more focused and concentrate better, is to remove the emotion that's attached to the thought. When we actively use a tool that's especially created for a certain purpose, we tend to move the thoughts and emotions from our unconscious to our conscious mind and release emotions that have been attached to the thought or matter. This stress management book help you to calm your mind down with easy tips and tricks. The Book of Chaos and Harmony will help you to make your dreams come true and to organize your projects. Secret weapon for better concentration ? Are you striving for balance in your life? Do you want to forget constant tiredness and stress? People with entrepreneur spirit are often overbooked with numerous ideas and thoughts making their lives hectic and uncontrollable. The book aids you to concentrate on important things instead of stress and hurry. You will also notice the right angles of matters and go to them much faster. This stress eliminating book is a marvelous tool for life and stress management. You cannot totally avoid stress but a right kind of life management will help you towards lightness and peace of mind. A more peaceful mind allows you to be more present at this moment. The book will lead you where you have always wanted to go, where you can be free of responsibilities and conflicts of creativity. Who is this book for? The answer to the question is quite a cliché - it's for everybody. The Book of Chaos and Harmony helps the young and old, you and me. The book is meant to enhance ideas and absolutely anyone can use its benefits. Cannot concentrate? The book helps you to focus. It's a tool for an imaginative but stressed person as well as an enterprising and creative person who's always in a hurry, who's got all kinds of things going on and don't have enough time for much anything. The book is recommended for apathy, depression or when you need that certain spark to your life. Or if you just want to enjoy being organized. It helps to get rid of anxiety, unnecessary hastiness and insomnia. The book also is said to improve self-knowledge and being therapeutic. This book is the right choice when you want to advance in your personal life, get stress reduced and clear the ongoing chaotic situation in your life. The relief brought by the book is long-lasting! if you use it regularly, it continues to create balance and peace of mind. A functional workbook and a tool for managing stress + an easy-to-follow guidance. It's a great gift! When you puzzle over a question "What to buy for a gift?", this practical book is an appreciated and a delightful present. The Book of Chaos and Harmony is the best possible gift especially to yourself, but also for a friend who's too busy, a loved one, a relative or anyone that wishes for happiness and balance. No more insomnia! This book will help you to get sleep "What a wonderful book! I was able to calm my nights down almost straight after I started using this book. I keep the book on my bedside table. If I have any trouble getting sleep during the night, I clear my mind by writing down my thoughts in the book. Simply knowing that the book is there, will help. If something bothers me in the night, I just write it down in the book. This way I don't have to worry all night long or try to remember my thoughts in the morning.I use the book 4-7 times a week, mainly during nights. It has reduced my stress 80% and calmed my sleep a lot, which has also balanced my day time. Likewise, I'm no longer afraid to go to bed and try to fall asleep, because I know the rescue is on my bedside table should I feel stressed or anguished.I'm so excited about this book! It's unbelievable but I haven't felt this relaxed for years. The book is my best bedtime pal and a reliable friend I can tell everything to." - Minna, 40 years old About the book This 60-page book is practical and provides plenty of pages for both notes and remarks. The size is a little smaller than A4 so it fits easily in a folder or a bag. - A separate chapter & how to control chaos - A separate chapter & how to organize your thoughts and ideas - 20 pages on the Chaos side for you to fill in - 20 pages on the Harmony side for you to fill in

The Six Steps to Organizational Freedom Do you: \*Miss important deadlines at work? \*Forget to return urgent phone calls? \*Lose papers that were "just here a minute ago"? \*Have multiple layers of sticky notes on your computer? \*Leave projects unfinished for days, weeks, or even months at a time? If any of these sound familiar, then you are among the ranks of the disorganized-whether mildly or completely-and Liz Davenport has written this book just for you. Order from Chaos is the organizing book for disorganized people. In six easy steps she offers a system that will help you clean up your act. She demonstrates how to clear your desk by teaching you what's trash and why, reveals what a calendar is really meant to be, and provides a no-fail system for prioritization. At the end of the day, your desk will be clear and your mind will be free to relax. Rather than offering overcomplicated instructions for filing systems and time management plans, Order from Chaos focuses on ease of use. There is not one person-from office assistant to CEO-who will not benefit from this straightforward, easy-to-maintain plan.

"If there were an ADHD self-help book group, I'd nominate this book to be at the top of the reading list." -- Kathleen Nadeau, Ph.D., internationally recognized authority on ADHD and co-author of ADD-Friendly Ways to Organize Your LifeStop paying the high cost of disorganization.Late fees on forgotten bills. A home full of clutter and unfinished projects. Eroding respect with your friends, family, and colleagues. Health worries from doctor's appointments you keep meaning to schedule. Nonstop anxiety as you wait for the other shoe to drop.You deserve better.Order from Chaos will teach you how your brain works and how to stop getting in your own way. Mixing stories from the trenches of her own experience as a mom and wife with ADHD with wise, well-researched advice from her years as a blogger at The ADHD Homestead, Jaclyn Paul shows you how to design your own system for restoring order.Past failures don't have to define you. Order from Chaos offers a helping hand to get you on the path to a more peaceful and rewarding life.

Eliminate Chaos is a user-friendly system for organizing each room of the house, including the kitchen and pantry, closet, garage, home office, and childrens' rooms. The author's ten-step system is presented in an easy-to-use, workbook-style layout. Full-color photos demonstrate the various stages of the organizing process, illustrating not just "before and after," but the realistic, messy, all-important steps in between. Leist's method is based on the underlying principle that "it's not about the stuff." She touches on the psychological reasons behind clutter and not letting go - such as procrastination, denial, thrift, and family history - but her underlying premise is that being organized is an on-going process, not a one-day event. By learning to sort, prioritize, and make fast, rational decisions about their household goods, readers become more efficient and functional not just at home, but in other areas of life as well.

Pioneers a study of the impact of personality on education in both teaching and learning styles, and other areas of institutional life such as the faculty roles and rewards debate.

Juggling the daily demands of career and motherhood is challenging for many of today's working women. When the question of spirituality is raised they may feel as if they've dropped the ball. In Motherhood in the Balance, Catherine Wallace recounts her ordinary, and often hilarious, endeavors to stay sane as she learns to balance the demands of her career with the needs of her family, while adeptly describing the struggles of her relationship with God. Wallace examines her own encounters with a witty and persistent God who thinks that the real problem is not career-vs-kids, but call. This stand-off begins to crumble when a truce is called and the author realizes that nothing can separate us from the love of God.

Are the day-to-day pressures of your business preventing your organization from reaching its full potential? If you are spending the bulk of your time and energy streamlining your operations - squeezing more output from your resources, shaving costs, or pressing for speed - you are risking your organization's future. Today's top leaders must balance their daily operations with future-oriented explorations so that their organizations can respond and adapt to any challenges in today's increasingly competitive and fast-moving environment. Yet focusing on both Current Performance and Future Potential is a tricky balancing act: each is a distinct pursuit that requires different skills, resources, measurements of success, and even time horizons. This book tells stories of strategy, insight, and action, featuring the latest advancements in industrial and organizational science, that will help catapult your organization to success now and in the future.
