Livable World, research specialist and author Marc Schaus explores the incredible new green innovations in science and engineering that can allow us to avoid the worst repercussions of global warming as we work to usher in a sustainable, livable world. To beat a challenge the size of climate change, our solutions will have to be ambitious: solar thermal cells capable of storing energy long after the sun goes down, “smart highways” designed to charge your vehicle as you drive, indoor vertical farms automated to maximize crop growth with no pesticides, bioluminescent vines ready to one day replace our streetlights, jet fuel created from landfill trash—and next-generation carbon capture techniques to remove the emissions we have already released over the past several decades. Far from the geoengineering schemes of cli-fi action thrillers, real solutions are being developed, right this moment. Our Livable World features interviews with the innovators, real talk on the revolutionary technology, and a clear picture of a cleaner planet in the future. “An important book that shows the dawn of a new kind of environmental movement?an age where we invest in deeply creative and fascinating technical solutions that work in harmony with the Earth. Marc Schaus lays out the exciting future of environmental innovation before us.” —Katie Patrick, author of How to Save the World

SUNDAY TIMES BESTSELLER Some people are born to be a certain thing. And I was a born fighter. At the age of eight, Michael Bisping began his training in martial arts. By the time he was 15, he was fighting in his first no holds barred competition. When he turned professional and joined the UFC he was sure about one thing: only a world championship title would do. A British underdog in the greatest fighting championship on earth, he spent the next decade winning some of the championship's most sensational contests to achieve his dream, becoming the first ever British UFC world champion in 2016. From his boyhood years learning to fight in the gyms of Lancashire to his most shocking clashes in the cage, in *Quitters Never Win* Bisping tells the raw and unfiltered story behind his legendary career for the first time, including his greatest wins, his fiercest rivals and the harrowing injury that forced him into retirement. As audacious, entertaining and as candid as the man himself, it's a backstage pass to one of the world's most extreme sports and an unbridled account of what it really takes to become a champion, from sleeping in his own car to reaching the summit of the world's fastest growing sport.

Haynes has discovered all the problems that motorcycle owners could possibly encounter when rebuilding or repairing their bikes. Documenting the most common DIY fixes with hundreds of illustrations and step-by-step instructions, this compendium of repair, modification and troubleshooting advice is applicable to all domestic and import marques.

The adored actress behind the character Nikki Newman of *The Young and the Restless* tells all in this scintillating memoir, divulging the insider details of her dramatic life and forty-year career. Melody Thomas Scott admits she is nothing like her *The Young and the Restless* role, which has seen it all in her forty-year tenure on America's highest-rated daytime serial. But the high drama, angst, and catastrophes aren't confined to her character's plotlines. In this captivating memoir, Melody reveals behind-the-scenes tales of her own riveting journey to becoming an icon. As Nikki Newman went from impoverished stripper to resourceful, vivacious heroine—with missteps as gripping as her triumphs—Melody became a household name, enthraling audiences across the globe. But her road to stardom also had to be one to freedom marked by an escape fit for cinema. In *Always Young and Restless*, Melody tells of her troubled, untraditional upbringing for the first time. Readers will learn how she suffered at home with her hoarder grandmother, whose cruelty as her manager is shockingly extreme; abuse at the hands of industry men; the intensity of acting in feature films with Alfred Hitchcock and Clint Eastwood; and how she finally took control of her life and career, in a getaway move as daring as any on *The Young and the Restless*. And of course, Melody divulges forty years' worth of juicy on-and-off-set details of what it's like to be one-half of the show's most successful supercouple, "Niktor," plus her personal path to healing, love, and family. In witty, warm prose, meet the shining, persevering heart of an American icon—and prepare to be moved by a life story fit for a soap opera star.
