Politics In America Pearson

See who gets what, when and how, in American politics. Revel™ Politics in America introduces students to the political struggles that drive democracy, examining the participants, the stakes, the processes, and the institutional arenas that comprise the power game of American politics. This pragmatic text is built around power and elite—mass conflict, and written from a centrist perspective.

history.

Politics in America, Alternate Edition - Pearson

In 1936, Harold Lasswell defined politics as a struggle over the allocation of values and resources in a society. More precisely, he defined politics as a contest over “who gets what, when, and how” — a competition for resources . In *Politics in America*, Tom Dye employs this classic, and still resonant, definition as the lens through which he examines the foundations, institutions, behaviors, and policies of the American political system.
