A practical guide to self-care - Happiful Magazine

A Practical Guide to the Spiritual Care of the Dying Person, published last month by the Catholic Bishops' Conference of England and Wales, is a very helpful tool for all those engaged on the frontlines of medicine. Having worked myself as a geriatric consultant in Dutch nursing homes for many years, I can testify from my own experience that the care for the elderly, including, and perhaps especially, palliative care for the old (and the not-so-very-old, for that matter), is indeed cutting ...
