With each new edition of the Publication Manual there is a transition period, in which authors continue to submit journal articles and students continue to write papers in the previous edition's style. We recommend that editors and instructors make the switch and adopt the seventh edition Publication Manual in January 2020 or thereafter.

I use this manual for reference
citations for the grad school
classes I am taking. The
information is available for free
online, but I appreciate having a
book in front of me. I thought the
spiral-bound book would lay flat
and be easier to use than the
paperback, but the wire catches
on the pages way too often and
bends the pages.
