It was for my Theories of Personalty class in College and for the price I paid, it was perfect (being a college student with a shorter budget). This edition was just as good as the next newer one , and the professor let us use it since there wasn't such a big change in the printing. it was in great condition and held up great.

Ryckman's work on hypercompetitive attitudes was inspired by Karen Horney 's theory of neurosis, and her conclusion that some people have a need to win at any cost as a means of maintaining or enhancing self-esteem. Ryckman developed the Hypercompetitive Attitude Scale, a 26-item self report test, to measure this tendency.
