S. is a 2013 novel written
by Doug Dorst and
conceived by J. J.
Abrams. The novel is
unusual in its format,
presented as a story

within a story. It is composed of the novel Ship of Theseus by a fictional author, and hand-written notes filling the book's margins as a dialogue between two college students hoping to uncover the author's mysterious identity and the novel's secret plus loose supplementary materials tucked in between pages.
