When shadows fill the night, it’s hard to tell friend from foe.With young to raise and her Pack under attack, Sylvan, Alpha of the wolf Weres, takes on her greatest challenge when she determines to uncover the faceless enemies know as the Shadow Lords. While her mate Drake struggles to find the link between the deadly Were fever virus and the mutation she carries, Sylvan calls upon her allies among the Vampires and Fae to defeat the secret pact of humans and Praeterns bent on destroying her and those she is bound to safeguard. Liege Jody Gates, Sylvan’s ally and heir to a powerful Vampire Clan, must choose between her promise to Sylvan and her duty to Clan when she aligns her forces against the deposed Vampire Regent Francesca. If the battle to come is lost, all the Praetern species will be sentenced to exile in the shadows.

Sylvan, the Wolf Were Alpha, forges an uneasy alliance with Vampire Detective Jody Gates, heir to a powerful Vampire clan, to battle a shadow army of humans and rogue Praeterns bent on destroying any hope of legal acceptance of the non-human species. With outside forces threatening to destroy the Praetern Coalition, several female Were adolescents turn up missing and chaos descends upon Sylvan’s personal guards when Sylvan and her new mate are overtaken by breeding frenzy. While Sylvan struggles to protect her Pack, Jody fights her destiny as well as her growing hunger for human reporter, Becca Land. A Midnight Hunters novel.

A world of violent passions and inhuman hungers explodes as ancient taboos and primal desires collide. Wolf Were Alpha Sylvan Mir wants nothing more than to keep her pregnant mate Drake safe in their secluded stronghold, deep in the heart of the Adirondack Mountains, but enemies, political and praetern, force her into battle. Sylvan must confront the Vampire Chancellor Francesca, a one-time lover, about her part in a recent attack on Mir Laboratories—a confrontation that will test Sylvan’s alliance with the Vampires and lead to war. Francesca’s enforcer Michel, with a secret sexual conquest in Sylvan’s Pack and a Were centuri newly-turned Vampire, Lara under her command, may have divided loyalties, too. Lara, born to fight in service to the Were alpha, finds herself caught between two worlds, belonging to neither, and her unexpected obsession with an enemy Alpha puts ancient loyalties to the test. In a world where humans and praeterns conspire for the ultimate power, violence is a way of life...and death. A Midnight Hunters novel.

Alpha Sylvan Mir’s efforts to achieve sovereignty for the Weres, Vampires, and other non-humans is made even more difficult when a neighboring wolf Were Pack petitions Sylvan for aid. Someone, or some thing, is raiding the territory of the Snow Crest wolf Weres along the Canadian border. While newly ascended Snow Crest Alpha Zora Constantine, along with the Ash, the captain of her guard, await the decision of Sylvan’s war council, inter-Pack tensions rise. Especially when Ash and Sylvan’s centuri Jace develop an unexpected and unwanted primal attraction. Are the raids just an attempt to secure more territory by rogue Weres? Or is it all a ruse to bring Sylvan and her mate Drake out into the open where they are vulnerable to enemy attacks? When Sylvan and Drake’s war party heads north to hunt the rogue raiders, Ash and Jace must decide between duty and the call of their deepest desires. A Midnight Hunters Novella

In the aftermath of an assassination attempt, Sylvan Mir, wolf Were Alpha, and her mate Drake McKennan turn their backs on the government that has threatened their survival, vowing to protect their own with primal force, regardless the cost in blood. After escaping the Vampire dungeons beneath the blood club Nocturne, Fae royal Torren de Brinna petitions Sylvan for sanctuary, setting Sylvan and her allies on a collision course with Francesca, Viceregal of the Eastern Vampire seethe. In the midst of war, Torren finds her heart at risk from a young dominant Were, while Francesca’s Vampire enforcer Michel draws one of Sylvan’s trusted guards into a web of seduction and danger. Hunted by human extremists, targeted by the Shadow Lords who fear her growing power, and beset by enemies masquerading as friends, Sylvan leads the Timberwolf Pack to war on two fronts as alliances shift and long-held beliefs are challenged. A Midnight Hunters novel.

Medic Ryon Drake has never been good at following protocol, so she doesn’t think twice about rendering emergency care when a young girl’s life is at stake—even if the girl is in the throes of Werefever and any sane mortali should know better. It isn’t the bright shining pain of the bite or even the wrenching agonies of the fever that convinces her everything in her life has changed. It’s the way she feels about the blonde with the silver-blue eyes leaning over her hospital bed when she finally wakes up. Sylvan, the Alpha of the Adirondack Timberlake Pack--the one woman Drake can't have. And the only one she wants. The first in the Midnight Hunters series.
