and fury. Pramoedya immerses the reader in a world that is astonishing in its vividness: the cultural whirlpool that was the Dutch East Indies of the 1890s. A story of awakening, it follows Minke, the main character of *This Earth of Mankind*, as he struggles to overcome the injustice all around him. Pramoedya's full literary genius is evident in the brilliant characters that populate this world: Minke's fragile Mixed-Race wife; a young Chinese revolutionary; an embattled Javanese peasant and his impoverished family; the French painter Jean Marais, to name just a few.

He ' s controlled. Meticulous. Immaculate. No one would expect the proper Duke of Westmead to be a member of London ' s most illicit secret club. Least of all: his future wife. Having overcome financial ruin and redeemed his family name to become the most legendary investor in London, the Duke of Westmead needs to secure his holdings by producing an heir. Which means he must find a wife who won ' t discover his secret craving to spend his nights on his knees – or make demands on his long scarred-over heart. Poppy Cavendish is not that type of woman. An ambitious self-

taught botanist designing the garden ballroom in which Westmead plans to woo a bride, Poppy has struggled against convention all her life to secure her hard-won independence. She wants the capital to expand her exotic nursery business – not a husband. But there is something so compelling about Westmead, with his starchy bearing and impossibly kind eyes -- that when an accidental scandal makes marriage to the duke the only means to save her nursery, Poppy worries she wants more than the title he is offering. The arrangement is meant to be just business. A greenhouse for an heir. But Poppy yearns to unravel her husband ' s secrets – and to tempt the duke to risk his heart. "An astonishingly

Thus begins Sastrodarsono's life, returning to his village as a newly-appointed schoolteacher, and by virtue of that position, a member of the "priyayi" - functionary gentry awesomely elevated above the peasantry of his origins. From those most traditional of Javanese institutions - change of name and a virtually imposed marriage-he moves on with his bride to found a line of modernizing generations active across the whole span of recent Indonesian history: the 20th century late-colonial period, Japanese occupation, war of independence and two decades of

Buku ini menerangkan lebih luas dari itu, yakni mulai dari kehidupan bangsa Arab sebelum Islam datang, sejarah hidup Nabi Muhammad Saw., perkembangan Islam awal, perkembangan Islam masa Khulafaur Rasyidin, perkembangan Islam pada masa dinasti-dinasti Islam, hingga sejarah Islam di Asia Tenggara dan Indonesia. Semuanya coba diulas secara detail dan komprehensif dengan bahasa yang
