could think of. New York City. She was going to be a model, rich, famous, and she was going to find people who treated her right. She had no idea what was in store for her and within three days she was homeless and broke. What follows is her exceptional story of trying to make it on her own with nothing to her name and no one to trust. She endures a string of people, mostly men, who take advantage of her youth and beauty, many disappointments and rejections, and the most famous murder trial of the 1970s. This is the story of a girl losing herself before finding her way in the city that never sleeps.

The author relates her experiences after she left an abusive home at sixteen and traveled to New York City to pursue a career as a model.

No politician pandered to the media's appetite for personality more than Liberal MP Cyril Smith. Instantly recognisable for his colossal build, Smith was a larger-than-life character in a world of dull grey men. Yet 'Big Cyril' was anything but the roly-poly gentle giant of popular imagination. In November 2012, Rochdale MP Simon Danczuk

outed Smith in Parliament as a serial child abuser. Now, in this devastating exposé, he describes how Smith used his profile to groom and sexually abuse young boys, frequently in institutions he had helped to establish. His victims, often troubled boys from broken homes, had no voice against their attacker and, though rumours abounded, Smith's appalling crimes went unnoticed by the public and unpunished by the authorities. Smile for the Camera is not just about a terrible abuse of power. It's about those who knew that abuse was taking place but looked the other way, making the corridors of Westminster a
