The Spook's Bestiary is John Gregory's guide to the dark. It is a must read for any spook apprentice and to my surprise an astonishingly good read. If you are familiar with the Wardstone Chronicles, then surely you would be familiar with the Spook's Bestiary which was mentioned quite a few times within the series.

The text of this book is a compendium of the information about supernatural creatures that Delaney has written about in his books, sadly with little additional new material. This was especially disappointing given the numerous eye-rolling plugs The Bestiary has received in the midst of last four Last Apprentice novels.

Amazon.com: Customer reviews: Spook's Bestiary  
Christmas traditions have long included the telling of grisly tales and The Spook's Bestiary by Joseph Delaney fits the bill . . . The illustrations and design of this book are stunning. It is a brooding and eerie collection of stories for reading in one sitting or dipping into -- Jake Hope, *The Bookseller*.
