The version of the Instruction Manual that you are about to download has been specifically prepared for STIHL products sold in the United States. Portions of this manual may not be applicable to products sold in other countries. If you are in a country other than the U.S. or purchased your product in a country other than the U.S., please contact your STIHL Distributor or Dealer in that country ...

Instruction Manuals | STIHL USA

The Stihl weed eater is built using a two-cycle engine. The carburetor of the engine provides air to the incoming gasoline to create the combustion necessary for mechanical movement. The carburetor needs adjusting if the air and fuel mixture is uneven. If either the fuel, or the air supply is too high, the engine will cut out or sputter, using fuel and oil inefficiently. Stihl carburetors have ...
