## ~~Market Simplified A~~ Beginners

The stock market explained for beginners

The basic principles of the stock market The

stock market is the virtual world where

people buy and sell shares in public limited

companies (those companies who have

“plc” after their name).

A share represents a

Stock

Download File

PDF Stock

Market of ownership in the company.

~~The stock market explained for beginners  
A simple guide ...~~

To keep it as simple as possible, and for the purposes of this guide, a stock market is simply a place where buyers and sellers meet to sell shares – each one a tiny part of a company listed
