A to Z - Style guide - Guidance - GOV.UK

A style guide, or style manual, is a set of standards for the writing and design of documents, either for general use or for a specific publication, organization or field. The implementation of a style guide provides uniformity in style and formatting within a document and across multiple documents. A set of standards for

a specific organization is often known as "house style". Style guides are common for general and specialized use, for the general reading and writing audience, and for students
