FUNDamental Lesson Plan | Teaching Resources
The five teaching fundamentals are aspects of effective teaching that I think are absolutely essential but are often things that I find I need to suggest as areas for development. The five fundamentals are: Checking for recall and understanding; Being precise about what you want to be learned; Modelling multiple examples.

5 Teaching Fundamentals | teacherhead
My Teaching Fundamentals. Content knowledge: Know the material. If it's new, I study—a lot—before I teach. Intentionality and preparation: My colleague brought "intentionality" to the table. I brought "preparation.". Know the core thing you wish to teach each lesson, and prepare exhaustively to teach it.
