Soccer players need a lot of different skills, and it does not matter for most of these skills whether you teach Skill A or Skill B first. However, there are some skills that are absolute "must-haves" for any player- and are so important that you probably will want to teach them first. These are basic ball-holding skills (receiving and shielding); basic ball-stealing skills (defence); and basic take-on skills (attacking).

The most important soccer skills to teach young players
