African Origins contains information about the migration histories of Africans forcibly carried on slave ships into the Atlantic. Using the personal details of 91,491 Africans liberated by International Courts of Mixed Commission and British Vice Admiralty Courts, this resource makes possible new geographic, ethnic, and linguistic data on peoples captured in Africa and pulled into the slave trade.

African Origins

Encyclopedia of the African Diaspora Origins, Experiences, and Culture In the last 500 years, African people have continuously established communities across the globe. Their adaptations to new cultures and the changes they brought about in their new lands—political, economic, and cultural—are the subject of this exhaustive encyclopedia.

Encyclopedia of the African Diaspora: Origins, Experiences ...

Book Description: The African diaspora is arguably the most important event in modern African history. From the fifteenth century to the present, millions of Africans have been dispersed--many of them forcibly, others driven by economic need or political persecution--to other continents, creating large communities with African origins living outside their native lands.

African diaspora | history and sociology | Britannica

The African Union defines the African Diaspora as individuals of African origin living away from their home continent (Africa). The phrase "African Diaspora" was coined during the 19th century, but only came into common use during the 21st century. The largest population of the African Diaspora resides in the following nations.

Where is the African Diaspora? - WorldAtlas

Origins of the Diaspora Religion When African slaves were transported to the New World between the 16th and 19th centuries, they each brought their own personal beliefs. However, slave owners deliberately mixed slaves from a variety of different backgrounds together in order to have a slave population that could not easily communicate with itself, and thus curtail the ability to rebel.

African Diaspora Religions

The African Diaspora describes people of African origin, living outside of the continent, due to the Transatlantic slave trade. The diaspora is vast, and includes displaced Africans living in numerous countries all around the world.
