Alien is one of the most original, thrilling, and beautiful franchises in cinema history. From Ridley Scott's elegant horror masterpiece and James Cameron's visceral and heart-pounding Aliens, to David Fincher's nihilistic Alien3, and Jean-Pierre Jeunet's twisted Alien Resurrection, these are the films that birthed a monster and a cultural phenomenon. Alien: The Archive is a beautiful celebration of these landmark films, delving deep into the process of how all four films were created. From the earliest script ideas to final cut, this book showcases the making of the series in exhaustive and exclusive detail. Featuring storyboards from Ridley Scott, exclusive concept designs from Ron Cobb and Syd Mead, behind-the-scenes imagery of the xenomorphs being created, deleted scenes, unused ideas, costumes, weapons, and much more. This must have retrospective also includes brand new interviews with Ridley Scott, Sigourney Weaver, H.R. Giger, Jean-Pierre Jeunet, Jenette Goldstein, and those whose vision and originality created a cinema legend. This book is for all fans of Alien, art lovers, and cinema and science fiction historians. Alien:The Archive is the final word on the series and showcases the breathtaking creation of a terrifying and beautiful filmic nightmare. TM & © 2014 Twentieth Century Fox Film Corporation. After a horrific accident strikes a space station, an engineering officer must use all available tools--a timer, utility kit, and his wits--to survive an attack from the deadliest creature known to man. Collects issues #1-#4 of the thrilling and claustrophobic Aliens story: Dead Orbit, penned by Orc Stain creator James Stokoe!

Alien Resurrection marks the fourth installment in the Alien science-fiction film series. The story takes us into deep space where the USS Auriga is the venue for clandestine scientific experiments in the name of medical advancement. The arrival of the Betty, a rock 'n' roll spacecraft with a cargo of live hosts and a volatile crew, plants the seeds for confirmation and conflict. Sigourney Weaver returns as the genetically corrupted Lieutenant Ripley, and is joined by Winona Ryder, as the auton robot Call and an eclectic crew of renegade space pirates in a quest to find meaning in a world that seeks to tamper with the lethal and mysterious alien life form. Director Jean-Pierre Jeunet, who generated the abstract and visually arresting films Delicatessen and The City of Lost Children, takes creative license to establish another uniquely stylized futuristic vision. The Making of Alien Resurrection is a celebration of the creative process involved in the completion of a major feature film. Join the director, cinematographer, designers, editors, visual effects consultants, special effects technicians, artists, sculptors and a myriad of other talented people in a collaborative journey to fabricate an idiosyncratic perception of the future.

A dramatic new Alien novel, as Weyland-Yutani seeks to recover from the failure of Hadley's Hope, and successfully weaponize the Xenomorphs. With the failure of Hadley's Hope, Weyland-Yutani has suffered a devastating setback--the loss of the Aliens they aggressively sought to exploit. Yet there's a reason the Company has risen to the top of the food chain. True to form, they have a redundancy already in place... the facility known as The Cold Forge. Remote station RB-232 has become their greatest asset in weaponizing the Xenomorphs. However, when Dorian Sudler is sent to RB-232 to assess their progress, he discovers that there's a spy aboard--someone who doesn't necessarily act in the company's best interests. For Dorian, this is the most unforgivable of sins. When found, the perpetrator will be eliminated with extreme prejudice. If unmasked, though, this person may be forced to destroy the entire station... and everyone on board. That is, if the Xenomorphs don't do the job first...

When an industrial spy steals a Xenomorph egg, former Colonial Marine Zula Hendricks must prevent an alien from killing everyone on an isolated colony planet. Venture, a direct rival to the Weyland-Yutani corporation, will accept any risk to crush the competition. Thus, when a corporate spy "acquires" a bizarre, leathery egg from a hijacked vessel, she takes it directly to the Venture testing facility on Jericho 3. Though unaware of the danger it poses, the scientists there recognize their prize's immeasurable value. Early tests reveal little, however, and they come to an inevitable conclusion. They need a human test subject... ENTER ZULA HENDRICKS A member of the Jericho 3 security staff, Colonial Marines veteran Zula Hendricks has been tasked with training personnel to deal with anything the treacherous planet can throw their way. Yet nothing can prepare them for the horror that appears--a creature more hideous than any Zula has encountered before. Unless stopped, it will kill every human being on the planet.
