The Clash Of Civilizations And

The Clash of Civilizations is a thesis that people's cultural and religious identities will be the primary source of conflict in the post-Cold War world. The American political scientist Samuel P. Huntington argued that future wars would be fought not between countries, but between cultures. It was proposed in a 1992 lecture at the American Enterprise Institute, which was then developed in a 1993 Foreign Affairs article titled "The Clash of Civilizations?", in response to his former student Fran
