The Drowned and the Saved (Italian: *I sommersi e i salvati*) is a book of essays by Italian - Jewish author and Holocaust survivor Primo Levi on life and death in the Nazi extermination camps, drawing on his personal experience as a survivor of Auschwitz (Monowitz).

~~The Drowned and the Saved — Wikipedia~~

First published in Italy in 1986 as *I sommersi e i salvati*, *The Drowned and the Saved*, is a collection of eight essays by Primo Levi about his experiences in the concentration camp at Auschwitz. The book was translated into English in 1988 by Raymond Rosenthal.

~~The Drowned and the Saved Summary and Study Guide ...~~

The Drowned and the Saved "The drowned and the saved" is a thoughtful, lucid reflection on the Holocaust phenomenon. Primo Levi tries to find answers for different aspects of the concentration camps. He explains the behavior of the inhabitants and of those who guard them.

~~The Drowned and the Saved by Primo Levi — Goodreads~~

The Drowned and the Saved, however, was written 40 years later and is the work of memory and reflection not only on the original events, but also on how the world has dealt with the Holocaust in the intervening years. Fundamental to his purpose is the fear that what happened once can happen (and in some respects, has happened) again.

'The Drowned and the Saved dispels the myth that Primo Levi forgave the Germans for what they did to his people. He didn't, and couldn't forgive. He refused, however, to indulge in what he called "the bestial vice of hatred" which is an entirely different matter.

In his final book before his death, Primo Levi returns once more to his time at Auschwitz in a moving meditation on memory, resiliency, and the struggle to comprehend unimaginable tragedy. Drawing on history, philosophy, and his own personal experiences, Levi asks if we have already begun to forget about the Holocaust. His last book before his death, Levi returns to the subject that would define his reputation as a writer and a witness. Levi breaks his book into eight essays, ranging from topics like the unreliability of memory to how violence twists both the victim and the victimizer. He shares how difficult it is for him to tell his experiences with his children and friends. He also debunks the myth that most of the Germans were in the dark about the Final Solution or that Jews never attempted to escape the camps. As the Holocaust recedes into the past and fewer and fewer survivors are left to tell their stories, *The Drowned and the Saved* is a vital first-person testament. Along with Elie Wiesel and Hannah Arendt, Primo Levi is remembered as one of the most powerful and perceptive writers on the Holocaust and the Jewish experience during World War II. This is an essential book both for students and literary readers. Reading Primo Levi is a lesson in the resiliency of the human spirit.

Primo Levi (1919–87) was the author of a rich body of work, including memoirs and reflections on Auschwitz, poetry, science fiction, historical fiction and essays. In particular, his lucid and direct accounts of his time at Auschwitz, begun immediately after liberation in 1945 and sustained until weeks before his suicide in 1987, has made him one of the most admired of all Holocaust writer-survivors and one of the best guides we have for the interrogation of that horrific event. But there is also more to Levi than the voice of the witness. He has increasingly come to be recognised as one of the major literary voices of the twentieth century. This Companion brings together leading specialists on Levi and scholars in the fields of Holocaust studies, Italian literature and language, and literature and science, to offer a stimulating introduction to all aspects of the work of this extraordinary writer.

2015 Washington Post Notable Book The Complete Works of Primo Levi, which includes seminal works like *If This Is a Man* and *The Periodic Table*, finally gathers all fourteen of Levi’s books–memoirs, essays, poetry, commentary, and fiction–into three slipcased volumes. Primo Levi, the Italian-born chemist once described by Philip Roth as that “quicksilver little woodland creature enlivened by the forest’s most astute intelligence,” has largely been considered a heroic figure in the annals of twentieth-century literature for *If This Is a Man*, his haunting account of Auschwitz. Yet Levi’s body of work extends considerably beyond his experience as a survivor. Now, the transformation of Levi from Holocaust memoirist to one of the twentieth century’s greatest writers culminates in this publication of *The Complete Works of Primo Levi*. This magisterial collection finally gathers all of Levi’s fourteen books–memoirs, essays, poetry, and fiction–into three slip-cased volumes. Thirteen of the books feature new translations, and the other is newly revised by the original translator. Nobel laureate Toni Morrison introduces Levi’s writing as a “triumph of human identity and worth over the pathology of human destruction.” The appearance of this historic publication will occasion a major reappraisal of “one of the most valuable writers of our time” (Alfred Kazin). The Complete Works of Primo Levi features all new translations of: *The Periodic Table*, *The Drowned and the Saved*, *The Truce*, *Natural Histories*, *Flaw of Form*, *The Wrench*, *Lilith*, *Other People’s Trades*, and *If Not Now, When?*–as well as all of Levi’s poems, essays, and other nonfiction work, some of which have never appeared before in English.

The author describes his twenty month ordeal in the Nazi death camp.

“In Levi’s writing, nothing is superfluous and everything is essential.” –Saul Bellow
A Penguin Classic In the final days of World War II, a courageous band of Jewish partisans makes its way from Russia to Italy, moving toward the ultimate goal of Palestine. Based on a true story, *If Not Now, When?* chronicles their adventures as they wage a personal war of revenge against the Nazis: blowing up trains, rescuing the last victims of concentration camps, scoring victories in the face of unspeakable devastation. Primo Levi captures the landscape and the people of Eastern Europe in vivid detail, depicting as well the terrible bleakness of war-ridden Europe. But finally, what he gives us is a tribute to the strength and ingenuity of the human spirit. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,800 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Saltire Society “History Book of the Year” Award winner. “An absorbing and moving book” on the World War I shipwrecks off of Scotland’s Islay island (The Scotsman). The loss of two British ships crammed with American soldiers bound for the trenches of the First World War brought the devastation of war directly to the shores of the Scottish island of Islay. The sinking of the troopship *Tuscania* by a German U-Boat on 5 February 1918 was the first major loss of US troops in in the war. Eight months after the people of Islay had buried more than 200 *Tuscania* dead, the armed merchant cruiser *Otranto* collided with another troopship during a terrible storm. Despite a valiant rescue attempt by HMS *Mounsay*, the *Otranto* drifted towards Islay, hit a reef, throwing 600 men into the water. Just 19 survived; the rest were drowned or crushed by the wreckage. Based on the harrowing personal recollection of survivors and rescuers, newspaper reports and original research, Les Wilson tells the story of these terrible events, painting a vivid picture which also “pays tribute to the astonishing bravery and humanity of islanders, who risked their lives pulling men from the sea, cared for survivors, and buried the dead” (The Herald). “A well-researched account of loss and tragedy.” –Oban Times

In this collection of essays based on his time as a Jewish prisoner in the Nazi camps, Primo Levi creates a series of sketches of the people he met who retained their humanity even in the most inhumane circumstances. Having already written two memoirs of his survival at Auschwitz, Levi knew there was still more left untold. Collected in this book are stray vignettes of fifteen individuals Levi met during his imprisonment. Whether it was the young Romani man who smuggled a creased photo of his bride past the camp guards or the starving prisoner who still insisted on fasting on Yom Kippur, the memory of these individuals stayed with Levi for long after. They represent for him “bizarre, marginal moments of reprieve.” Neither simple heroes nor victims, but people who never lost sight of their humanity in the face of unimaginable suffering. Written with the author’s signature humility and intelligence, Moments of Reprieve shines with lyricism and insight. Nearly forty years after their publication, Levi’s words remain as beautiful as they are necessary. Along with Elie Wiesel and Hannah Arendt, Primo Levi is remembered as one of the most powerful and perceptive writers on the Holocaust and the Jewish experience during World War II. This is an essential book both for students and literary readers. Reading Primo Levi is a lesson in the resiliency of the human spirit.

Among the first written accounts of the concentration camps—a major literary and historical discovery. While in a Russian-administered holding camp in Katowice, Poland, in 1945, Primo Levi was asked to provide a report on living conditions in Auschwitz. Published the following year, it was subsequently forgotten and remained unknown to a wider public. Dating from the weeks and months immediately after the war, Auschwitz Report details the authors’ harrowing deportation to Auschwitz, and how those who disembarked from the train were selected for work or extermination. As well as being a searing narrative of everyday life in the camp, and the organization and working of the gas chambers, it constitutes Levi’s first lucid attempts to come to terms with the raw horror of events that would drive him to create some of the greatest works of twentieth-century literature and testimony. Auschwitz Report is a major literary and historical discovery.

Explore the wondrous sea and the oddities of human nature in this international bestselling, thrilling epic novel of a Danish port town. Hailed in Europe as an instant classic, *We, the Drowned* is the story of the port town of Marstal, Denmark, whose inhabitants sailed the world from the mid-nineteenth century to the end of the Second World War. The novel tells of ships wrecked and blown up in wars, of places of terror and violence that continue to lure each generation; there are cannibals here, shrunken heads, prophetic dreams, and miraculous survivals. The result is a brilliant seafaring novel, a gripping saga encompassing industrial growth, the years of expansion and exploration, the crucible of the first half of the twentieth century, and most of all, the sea. Called “one of the most exciting authors in Nordic literature” by Henning Mankell, Carsten Jensen has worked as a literary critic and a journalist, reporting from China, Cambodia, Latin America, the Pacific Islands, and Afghanistan. He lives in Copenhagen and Marstal. “*We, the Drowned* sets sail beyond the narrow channels of the seafaring genre and approaches Tolstoy in its evocation of war’s confusion, its power to stun victors and vanquished alike..A gorgeous, unsparing novel.”—Washington Post “A generational saga, a swashbuckling sailor’s tale, and the account of a small town coming into modernity—both Melville and Steinbeck might have been pleased to read it.”—New Republic “Dozens of stories coalesce into an odyssey taut with action and drama and suffused with enough heart to satisfy readers who want more than the breakneck thrills of ships battling the elements.”—Publishers Weekly (starred)
