The Nature of Yeshua in the Synoptic Gospels and Acts 5. Acts of Apostles. This book most properly follows the four Gospels in our printed New Testament, not because it was written later; for it was written about the same time with the first three Gospels, and much earlier than the fourth; but because the facts recorded in it occurred next, and because this is its place from a logical point of view.

The word "grace" is never used in a gospel message, however it is used to describe the gospel message in Acts 14:3, 15:11 and Acts 20:24. Most occurrences of this word apply to those who have already believed (i.e. who have had grace shown to them).

Spreading the Gospel. Acts is the story of God's grace flooding out to the world, from the cross and resurrection of Jesus in Jerusalem to the ends of the earth. Nothing is more prominent in Acts than the spread of the gospel. Jesus promises a geographic expansion at the outset (Acts 1:8), and Acts follows the news of his death and ...
