The hole in our holiness is that we don ' t care much about holiness. Or, at the very least, we don ' t understand it. This is a book for those of us who are ready to take holiness seriously, ready to be more like Jesus, ready to live in light of the grace that produces godliness.

The Hole in Our Holiness: Filling the Gap between Gospel ...

The hole in our holiness is that we don't care much about holiness. Or, at the very least, we don't understand it. And we all have our reasons too: Maybe the pursuit of holiness seems legalistic. Maybe it feels like one more thing to worry about in your already overwhelming life. Maybe the emphasis on effort in the Christian life appears unspiritual.

The hole is simply this: that we don't really care much about holiness. "Passionate exhortation to pursue gospel-driven holiness is barely heard in most of our churches. ... I'm talking about the failure of Christians, especially younger generations and especially those most disdainful of 'religion' and 'legalism,' to take seriously one of the great aims of our redemption and one of the required evidences for eternal life—our holiness."

Godliness

The hole in our holiness is that we don't care much about holiness. Or, at the very least, we don't understand it. And we all have our reasons too: Maybe the pursuit of holiness seems legalistic. Maybe it feels like one more thing to worry about in your already overwhelming life. Maybe the emphasis on effort in the Christian life appears unspiritual. Or maybe you've been trying really hard to be holy and it's just not working! Whatever the case, the problem is clear: too few Christians look like

Bookmark File PDF The Hole In Our Holiness

Christ and too many don't seem all that concerned about it. This is a book for those of us who are ready to take holiness seriously, ready to be more like Jesus, ready to live in light of the grace that produces godliness. This is a book about God's power to help us grow in personal holiness and to enjoy the process of transformation.

Given the lack of holiness in our culture today, DeYoung presents a popular-level treatment of sanctification and union with Christ, helping readers to see what matters most—being like Jesus. Now available in paperback.

Winner of the 2014 Christian Book of the Year Award “ I ’ M TOO BUSY! ” We ’ ve all heard it. We ’ ve

all said it. All too often, busyness gets the best of us. Just one look at our jam-packed schedules tells us how hard it can be to strike a well-reasoned balance between doing nothing and doing it all.

That ' s why award-winning author and pastor Kevin DeYoung addresses the busyness problem head on in his newest book, Crazy Busy — and not with the typical arsenal of time management tips, but rather with the biblical tools we need to get to the source of the issue and pull the problem out by the roots. Highly practical and super short, Crazy Busy will help you put an end to “ busyness as usual. ”

This new edition replaces both
The Pursuit of Holiness and the

separate study guide by combining both resources into one volume!

“Be holy, for I am holy,” commands God. But holiness is something that is often missed in the Christian’s daily life.

According to Navigator author Jerry Bridges, that’s because we’re not exactly sure what our part in holiness is. In *The Pursuit of Holiness*, he helps us see clearly just what we should rely on God to do—and what we should take responsibility for ourselves. As you deepen your relationship with God, learn more about His character, and understand the Holy Spirit’s role in holiness, your spiritual growth will mature. The included study guide contains 12 lessons.

This book presents the case for loving the local church. It paints a picture of the local church in all its biblical and real life guts, gaffes, and glory in an effort to edify local congregations and entice the disaffected back to the fold. It also provides a solid biblical mandate to love and be part of the body of Christ and counteract the "leave church" books that trumpet rebellion and individual felt needs. Why We Love the Church is written for four kinds of people - the Committed, the Disgruntled, the Waffling & the Disconnected.

Recent cultural interest in evangelicalism has led to considerable confusion about what the term actually means. Many young Christians are tempted to

Bookmark File PDF The Hole In Our Holiness

discard the label altogether. But evangelicalism is not merely a political movement in decline or a sociological phenomenon on the rise, as it has sometimes been portrayed. It is, in fact, a helpful theological profile that manifests itself in beliefs, ethics, and church life. DeYoung and other key twenty- and thirty-something evangelical Christian leaders present Don ' t Call It a Comeback: The Same Evangelical Faith for a New Day to assert the stability, relevance, and necessity of Christian orthodoxy today. This book introduces young, new, and under-disciplined Christians to the most essential and basic issues of faith in general and of evangelicalism in particular. Kevin DeYoung and contributors like

Bookmark File PDF The Hole In Our Holiness

Russell Moore, Darrin Patrick, Justin Taylor, Thabiti Anyabwile, and Tim Challies examine what evangelical Christianity is and does within the broad categories of history, theology, and practice. They demonstrate that evangelicalism is still biblically and historically rooted and remains the same framework for faith that we need today.

If there is "nothing new under the sun," perhaps the main task now facing the Western church is not to reinvent or be relevant, but to remember. The truth of the gospel is still contained within vintage faith statements. Within creeds and catechisms we can have our faith strengthened, our knowledge broadened, and our love for Jesus

Bookmark File PDF The Hole In Our Holiness

deepened. In *The Good News We Almost Forgot*, Kevin DeYoung explores the Heidelberg Catechism and writes 52 brief chapters on what it has shown him. The Heidelberg is largely a commentary on the Apostle's Creed, the Ten Commandments, and the Lord's Prayer, and deals with man's guilt, God's grace, and believers' gratitude. This book is a clear-headed, warm-hearted exploration of the faith, simple enough for young believers and deep enough for mature believers. DeYoung writes, "The gospel summarized in the Heidelberg Catechism is glorious, its Christ gracious, its comfort rich, its Spirit strong, its God Sovereign, and its truth timeless." Come and see how your soul can be warmed by the

elegantly and logically stated doctrine that matters most: We are great sinners and Christ is a greater Savior!

Godliness

"You can be young, passionate about Jesus Christ, surrounded by diversity, engaged in a postmodern world, reared in evangelicalism and not be an emergent Christian.

In fact, I want to argue that it would be better if you weren't."

The Emergent Church is a strong voice in today's Christian community. And they're talking about good things: caring for the poor, peace for all men, loving Jesus. They're doing church a new way, not content to fit the mold. Again, all good. But there's more to the movement than that. Much more. Kevin and Ted are two guys

Bookmark File PDF The Hole In Our Holiness

who, demographically, should be all over this movement. But they're not. And Why We're Not Emergent gives you the solid reasons why.

From both a theological and an on-the-street perspective, Kevin and Ted diagnose the emerging church. They pull apart interviews, articles, books, and blogs, helping you see for yourself what it's all about.

Can we trust the Bible completely? Is it sufficient for our complicated lives? Can we really know what it teaches? With his characteristic wit and clarity, award-winning author Kevin DeYoung has written an accessible introduction to the Bible that answers important questions raised by Christians and non-Christians. This book will help

Bookmark File PDF The Hole In Our Holiness

you understand what the Bible says about itself and the key characteristics that contribute to its lasting significance. Avoiding technical jargon, this winsome volume will encourage you to read and believe the Bible—confident that it truly is God ' s word.

"There was a time," writes renowned theologian J. I. Packer in this classic book on biblical holiness, "when all Christians laid great emphasis on God's call to holiness. But how different it is today! To listen to our sermons and to read the books we write, and then to watch the zany, worldly, quarrelsome way we behave, you would never imagine that once the highway of holiness was clearly marked out for Bible-

Bookmark File PDF The Hole In Our Holiness

believers." In this revised and updated edition of *Rediscovering Holiness*, the highway is once more clearly marked out for a new generation of readers, pointing to true freedom and joy, both now and in eternity.
