The Holy Book first appealed to me because I had learned of its stance as a Feminist book. Indeed, it began as the “Feminist Book of Light and Shadow”. There are many things in it which I have found helpful, and I will be studying this book in one year and one day, the proper amount of time.

~~List of women in the
Bible—Wikipedia~~

The Holy Book of
Women's Mysteries is
an essential read for all
pagans, feminists and
(dare I say) all spiritual
women. This book is not
about re-instating a
matriarchy or tearing
down patriarchy; it is

File Type PDF The Holy Book

about women's
spirituality, and its
relationship with
politics and lifestyle. It
educates the reader as to
the reality of patriarchal
and paternalistic society
in which we live, and
how it oppresses both
women and men,
spiritually and
politically.
