Though Gibbon's Decline and Fall covers more than a millennium and Sumption's history of the Hundred Years War only a little more than a century, it is unclear which (when his work is completed) will be the shorter. Sumption's first volume, published in 1990, carries the story to 1347, the second to 1369: there are still more than eighty years to go, before we reach the final chapter, with the collapse of the English cause in France in 1450-53.
