A collection of classic Jewish folktales which emphasize values and moral lessons, each with an introduction that places it in context with other Jewish teachings.

Stories from oral traditions from a variety of historical, cultural and geographical sources, arranged by year group, fully indexed with an introduction explaining how to use the Collection.

Storytelling, as oral tradition and in writing, has long played a central role in Jewish society. Family, educators, and clergy employ stories to transmit Jewish culture, traditions, and values. This comprehensive bibliography identifies 668 Jewish folktales by title and subject, summarizing plot lines for easy access to the right story for any occasion. Some centuries old and others freshly imagined, the tales include animal fables, supernatural yarns, and anecdotes for festivals and holidays. Themes include justice, community, cause and effect, and mitzvahs, or good deeds. This second edition nearly doubles the number of stories and expands the guide's global reach, with new pieces from Turkey, Morocco, Libya, Tunisia, and Chile. Subject cross-references and a glossary complete the volume, a living tool for understanding the ever-evolving world of Jewish folklore.

The author invites readers to spend time in the pleasure of Harpo's cinematic company while comparing him to tricksters from folklore, myth and legend. The book demonstrates how Harpo, the sweetest, wildest, most magical Marx brother, accomplishes the archetypal trickster's work. Thirteen chapters examine Harpo's trickster persona closely in each of the Marx Brothers' films: *The Cocoanuts*, *Animal Crackers*, *Monkey Business*, *Horse Feathers*, *Duck Soup*, *A Night at the Opera*, *A Day at the Races*, *Room Service*, *At the Circus*, *Go West*, *The Big Store*, *A Night in Casablanca* and *Love Happy*. Harpo as trickster embodies luck, foolishness, cleverness, mania, hunger, lust, stealing, shape-shifting, gender-bending, alliance with underdogs, attacks on the powerful, musicality, sympathy for animals, magic and mischief. His trickster behaviors in all the films are woven into a composite impression that "with a little luck, will resonate beyond the covers of this book and leak out into the world, making it a more just, flexible, resilient, amusing and magical place."

A good folktale triggers the imagination, connecting children to a wider world as well as increasing their vocabulary and comprehension skills. In this delightful and easy-to-use book, teacher and storyteller Del Negro gives librarians, teachers, and parents the keys to storytelling success. Including more than a dozen original adaptations of folktales from around the world, tailored specifically for library and classroom use, she Reviews storytelling basics such as selecting a tale and learning the story Offers tips for dealing with stage fright and reluctant listeners Presents a bibliography of recommended online and print resources, steering readers to more wonderful tales to tell For young listeners the folktale is a perfect gateway to the exciting worlds of culture and literature, and Del Negro's book invites their engagement with proven techniques and original story scripts that can be used by experienced as well as beginning tellers.

Three handsome and clever brothers compete to find the world's most unusual gift. Includes a note on doing good deeds, or mitzvot, and discusses the symbolism of the pomegranate in Judaism.

Linda Silver selected the titles that "represent the best in writing, illustration, reader appeal, and authentically Jewish content--in picture books, fiction and non-fiction, for readers ranging from early childhood through the high school years."--P. [4] of cover.
