The Living Brain

The Living Brain is the name of two fictional characters and robots appearing in American comic books published by Marvel Comics.

Created by writer Stan Lee and artist Steve Ditko, the original

Living Brain character first appears in The Amazing Spider-Man

#8 and has made few subsequent appearances since. A foe of the

hero Spider-Man, the original Living Brain was created by the

fictional International Computing Machines Corporation and billed

as the most intelligent computer and robot in existence
