The Mindset of Organization: Take Back Your House One ...

Focus is the key. Without sound leadership, people ' s minds tend to focus on the change itself, and therefore on uncertainty, confusion, and potential negative outcome. By refocusing the mindset on the work to be done, a leader can help an organization shift from a reactive to a proactive state of mind.

Successful Organization Change Begins With Mindset | HRPS Blog

Dweck ' s work divides people into one of two mindsets: fixed or growth. Which one you adopt for yourself, affects how you will lead your life and in extension, how you will lead other people and your organization. Those people with a fixed mindset feel a compelling need to prove themselves over-and-over again.
