A guide to achieving financial stability and prosperity by the co-authors of The Two-Income Trap encourages readers to change the ways they think about and manage money, discussing such topics as balancing a budget, planning for entertainment, and getting out of debt. 150,000 first printing.

How to build a financial plan that really blends into your life The latest volume in the bestselling Ultimate series, Jim Stovall and Tim Maurer's The Ultimate Financial Plan: Balancing Your Money and Life is a one-stop, comprehensive, personal financial planning book exploring the intersection of money and life. The Ultimate Financial Plan examines the connection between actions, thoughts, and feelings when it comes to all things financial. The key to getting the most out of your wealth, the authors argue, is certainly found in the wise utilization of tools, like budgets, bank accounts, 401(k)s, IRAs, Roth IRAs, education savings plans, and real estate, as well as home, auto, business, health, disability, and long term care insurance, but even more so in the contentment found in balancing money's influence in our lives with personal values and goals. An insider's look into the recently humbled "Big 3"—the banks, brokerage firms, and insurance companies—and the inner workings that often set their proprietary goals and objectives above all A critical examination of the role of various financial sales people, advisors, planners, and consultants A guide to navigating Economic Bias—a conflict of interest involving money—and how it affects every financial decision we make The Ultimate Financial Plan is the application of the resources at your disposal for the purpose of living your life to the fullest, and this book will show you the quickest route to getting started on the path to ultimate success.

What's the difference between growth investing and value investing? How much risk is acceptable? Does anyone really read a prospectus? This edition includes completely new material on strategies to knock out debt and set realistic investment goals, tips for tracking the your investments, exchange-traded funds (ETFs), and green investing

The Money Plan is for you. If you've ever wondered why some people make money easily, enjoy great holidays, have nice things and retire rich, while others always seem to struggle, it's not because they are more intelligent or just lucky. It's simply because they have better beliefs about money and a system that works.

A strategy for changing attitudes about personal finances covers such topics as getting out of debt, the dangers of cash advances and keeping spending within income limits.

A simple, effective way to transform your finances and your life from leading financial advisor and New York Times columnist Carl Richards Creating a financial plan can seem overwhelming, but the best plans aren't long or complicated. A great plan has nothing to do with the details of how to save and invest your money and everything to do with why you're doing it in the first place. Knowing what's important to you, you will be able to make better decisions in any market conditions. The One-Page Financial Plan will help you identify your values and goals. Carl Richard's simple steps will show you how to prioritize what you really want in life and figure out how to get there. 'In a world where financial advice is (often purposely) complicated and filled with jargon, Carl Richards distills what matters most into something that is easy and fun to read' Wall Street Journal 'Feeling tormented by your finances? Read this book. Now. The One-Page Financial Plan helps you identify what you truly want from life, get crystal clear about the financial position you are starting from today, and develop a simple, actionable plan to narrow the gap between the two' Manisha Thakor, CEO at MoneyZen Wealth Management Carl Richards is a certified financial planner and a columnist for the New York Times, where his weekly Sketch Guy column has run every Monday for over five years. He is also a columnist for Morningstar magazine and a contributor to Yahoo Finance. His first book, The Behavior Gap, was very well received, and his weekly newsletter has readers around the world. Richards is a popular keynote speaker and is the director of investor education for the BAM ALLIANCE.

A guide to achieving financial stability and prosperity encourages new ways to think about and manage money, discussing such topics as balancing a budget, planning for entertainment, and getting out of debt.

Miss Money Plan empowers financial education for kids and the adults that read with them. Miss Money Plan uses her Budget Boomerangs and Discipline Power to battle against the financial foe named E-Motion.

How do you see your future? Will you be working hard until you're seventy? Or retiring early - wealthy, independent and financially free? The difference between these scenarios is simple: investing. In this life-changing book, Joan Baker demystifies the jargon and shows how you can make investment work for you. No matter what your age, if you're in a couple or single, or even if you're a complete investment novice, you can take control of your finances. Gone are the days of relying on a man for your financial future - after all, it's far too important to leave to anyone else. A Man Is Not a Financial Plan gives every woman the skills and inspiration they need to achieve the future they dream of.
