comprises counties, cities, towns and villages, which are corporate entities known as municipal corporations.

These units of local government provide most local government services. Special purpose governmental units also furnish some basic services, such as sewer and water services.

Local Government Home Rule Power · GitBook

The state-local governing system of New York places heavy responsibilities on local governments, and more than half of the state budget consists of aid to local government.

Most of the aid is for public schools; other allocations go to welfare, health, highways, and housing and urban renewal, among other projects.
