It's the ultimate guide to shrinking your outlook to broaden your horizons. Get SMALL and get going!

The Power of Small: Why Little Things Make All the...

It is often the small act that shows you care, that proves the project or other person matters to you. It affords you a chance to show off your initiative. This can be especially important when you're meeting someone for the first time."

The Power of Small: Why Little Things Make All the...

The Power of Small talks about the importance of the little things, and shares stories of times when small acts have unexpectedly large consequences - such as marriage, job offer, etc. My 'take-away' is that the little things are important - especially in relationships with people. flag 1 like · Like · see review.

The power of small actions You might not be the biggest business around, but in many ways that frees you up to make the smallest actions, and make them count. I shared in November the example of Lift Stores in Southwold and their donation to Shelter instead of Black Friday discounts.

The secret power of small (and why it might do big things)

The urge to question is natural for small children—just ask any parent. But few of us are aware that it is also one of the most vital tools for success. In The Power of Why, Amanda Lang shows how curiosity and the ability to ask the right questions fuels innovation and can drive change not just in business but also in our personal lives.
