As believers, our walk with God is motivated by hope-not the bland, vague notion most people have, but the expectation of an exotic, pleasurable inheritance that guides us and fires our passion...or, at least, should. Ted Dekker has written an exposé on the death of pleasure within the Church. Because many of us have set aside hope and the inspired imagination that drives it, Dekker says we have been lulled into a slumber of boredom, even despondency. Our faith wanes, the joy at having been liberated fades, and we feel powerless. The Slumber of Christianity explores what robs us of happiness and how we can rediscover it and live lives that rekindle hope. The pursuit of pleasure is a gift to all humans-a function of the Creator himself, who is bent upon our happiness. It's time for Christians to reclaim our inheritance of pleasure. The Slumber of Christianity will inflame hearts toward full-fledged, mind-expanding encounters with hope, through the imagination.

Equipped to Tell the Next Generation bridges the gap between knowing and sharing our faith in Jesus by revealing areas of our beliefs and practices which have been syncretized with twenty-first-century American culture: relative truth, consumerism, pleasure, an independent spirit, the victim mentality, and the culture of doubt. These go to the heart of who we are and keep Christians from telling people about Jesus in winsome ways. This book provides the solution: recover the holiness of God, his ultimate characteristic, which holds all his

characteristics in perfect unity. Rather than legalism, genuine holiness is the highest beauty which produces wholeness because it balances holy love, holy righteousness, repentance of sin, peace, and respect for all people and all of God's creation. When we meet a holy God, we want to worship and to serve him because the beauty of holiness touches the very essence of our being. It becomes our greatest desire to please him because of the deep love we find there, a holy love unlike what the world offers. This book will take you on a journey to recover the things compromised to culture and will equip you to tell the next generation about Jesus.

How many times have you been told you "should" do some particular thing in your walk with Christ? But has anyone ever taken the time to show you how? We often feel guilty when people tell us we should be walking closer with Jesus, because we simply don't know what that looks like in a real and practical sense. In this book, you'll find twelve practical lessons that cover what many consider to be the basics of truly following after Christ. Rather than beat you over the head, this work will actually show you the all-important steps it takes to get closer to God and reveal the even more important reason that sits behind it all. Whether you've been following Christ all your life or you're just taking your first steps, Here's How will show you the path to true discipleship.

How a doctor's glimpses of eternity confirmed everything he believed about God, suffering, life on earth, and what happens after death. Dr. Chauncey Crandall knows his patients well. When

they are dying, he sits at the bedside with them and holds their hands. He prays with them. Sometimes he can feel what they feel and see what they see. At other times his patients have near-death experiences and "come back" with astonishing descriptions of the afterlife. In TOUCHING HEAVEN, Dr. Crandall reveals how what he has seen and heard has convinced him that God is real, that we are created for a divine purpose, that death is not the end, that we will see our departed loved ones again, and that we are closer to the next world than we think.

When you think of being chosen, does your mind go back to recess days on that schoolyard playground long ago, when Teacher asked the two biggest boys in the class to choose up teams? Remember how the rest of you lined up, dutifully waiting for your name to be called? And remember how you stood there, nervously holding your breath, shifting your weight from one sneaker to the other, hoping against hope that this time you'd be chosen? Good news. You have been chosen! Maybe not for the starting lineup on your school's basketball team or for the next promotion at work. But your calling is much more extraordinary For "you are a chosen people, . . . a people belonging to God, that you may declare the praises of him who called you out of darkness into his wonderful light" (1 Peter 2:9, NIV). Who is this God who has chosen you? Why have you been chosen? And how are the chosen to live? Join Dwight K. Nelson in an experience with God that will revolutionize your life as you stand where the chosen of old once stood on the brink of the Promised Land
