Many people are undergoing a profound personal transformation associated with spiritual opening. Under favorable circumstances, this process results in emotional healing, a radical shift in values, and a profound awareness of the mystical dimension of existence. For some, these changes are gradual and relatively smooth, but for others they can be so rapid and dramatic that they interfere with effective everyday functioning, creating tremendous inner turmoil. Unfortunately, many traditional health-care professionals do not recognize the positive potential of these crises; they often see them as manifestations of mental disease and respond with stigmatizing labels, suppressive drugs, and even institutionalization. In *The Stormy Search for the Self*, Christina and Stanislav Grof, the world's foremost authorities on the subject of spiritual emergence, draw on years of dramatic personal and professional experience with transformative states to explore these "spiritual emergencies," altered states so powerful they threaten to overwhelm the individual's ordinary reality. This book will provide insights, assurances, and practical suggestions for those who are experiencing or have experienced such a crisis, for their families and friends, and for mental-health professionals. It is also a

valuable guide for anyone involved in personal transformation whose experiences, though generally untraumatic, may still at times be bewildering or disorienting.

At this time many people are undergoing a profound personal transformation associated with spiritual opening. Under favourable circumstances this results in emotional healing, a radical shift in values and an awareness of the mystical dimension of experience. For some, these changes are gradual and relatively smooth, but for others, they can be so rapid and dramatic that they interfere with effective everyday functioning. Unfortunatley, many health professionals do not recognize the positive potential of these crises, but see them as manifestations of mental disease and treat them with suppressive medication.

From the creator of the New York Times best-illustrated children's book award winner *The Only Child*, comes a gorgeous and moving wordless picture book that's perfect for dog lovers. In this heartwarming, wordless picture book that's perfect for dog lovers, a woman visits a park and discovers a pup hiding under a bench--scruffy, scared, and alone. With gentle coaxing, the woman tries to befriend the animal, but the dog is too scared to let her near. Day after day, the woman tries--and day after day, the dog runs away. With perseverance and patience--and help from an enticing tennis ball--a tentative friendship begins. But it's not until a raging storm forces the two together that a joyous and satisfying friendship takes hold. Guojing poignantly explores how trust doesn't always come easily, but how, over time, and with kindness and determination, forever love can grow. Praise for *Stormy*: "Guojing amplifies the suspense and sentiment of her story with the skill -- and mercilessness -- of a great Disney or Pixar director.... Masterful." --New York

Times Book Review "A touching tale about the strong emotional connection between dog and human."
--Kirkus Reviews, starred review "Guojing paces the story to rock emotionally between the dog's lonely existence and the woman's offer of love, building all the way to a joyful conclusion." --Publishers Weekly, starred review " Adults should be prepared for some serious pet pleading after kids get a look at our scruffy hero and its happy ending."--Bulletin, starred review "Brimming with golden-hued love, this is a book that successfully appeals to our most basic human sentiment, perfect for anyone who appreciates Guojing's accomplished visual style as well as dog lovers of all ages." --Booklist, starred review "This beautifully illustrated book will appeal to a wide range of ages, can spark conversations around houselessness and insecurity, or just be enjoyed as a tale of a dog finding a "forever home." --School Library Journal

Argues that many episodes of transformational crisis have been misdiagnosed as mental illness, and explains how to use such a crisis for spiritual development

NEW YORK TIMES BESTSELLER • USA TODAY BESTSELLER TODAY Show co-host and meteorologist Dylan Dreyer launches a new picture book series featuring Misty—a little cloud with big feelings! The author combines her extensive weather knowledge with her experience as a mom in this very special social-emotional learning franchise. When Misty the Cloud wakes up feeling stormy, nothing seems to make her day better! And Misty ' s grumbly mood affects everyone when her big emotions cause a thunderstorm to rumble across the sky. But with help from friends and family, Misty accepts that sometimes she ' s just going to be a little stormy—and it will always pass. Read the first book in a sky-high series about how to deal with good days, bad days, and everything in between!

Read Online The Stormy Search For The Self A Guide To Personal Growth Through Transformational Crisis

Personal stories of spiritual crises are presented alongside practical and effective guidance in this exploration of a fascinating phenomenon. When spiritual emergencies, such as mystical psychosis and dark nights of the soul, are understood, managed, and integrated, they can offer enormous potential for growth and fulfillment, and this book offers three key phases for successful navigation. Encouraging, supportive, and life-saving, this resource is essential for avoiding the mental, emotional, or spiritual paralysis or exhaustion that can result from underestimating the current age of increased individual and global emergencies.

Many of the people served by social workers draw upon spirituality, by whatever names they call it, to help them thrive, to succeed at challenges, and to infuse their resources and relationships with meaning beyond mere survival value. This revised and expanded edition of a classic provides a comprehensive framework of values, knowledge, skills, and evidence for spiritually sensitive practice with diverse clients. Weaving together interdisciplinary theory and research, as well as the results from a national survey of practitioners, the authors describe a spiritually oriented model for practice that places clients' challenges and goals within the context of their deepest meanings and highest aspirations. Using richly detailed case examples and thought-provoking activities, this highly accessible text illustrates the professional values and ethical principles that guide spiritually sensitive practice. It presents definitions and conceptual models of spirituality and religion; draws connections between spiritual diversity and cultural, gender, and sexual orientation diversity; and offers insights from Buddhism, Christianity, Confucianism, Hinduism, Indigenous religions, Islam, Judaism, Existentialism, and Transpersonal theory. Eminently practical, it guides professionals in understanding and assessing spiritual development and related mental health issues and outlines techniques that support
