"Shouting fire in a crowded theater" is a popular analogy for speech or actions made for the principal purpose of creating panic. The phrase is a paraphrasing of Justice Oliver Wendell Holmes, Jr.'s opinion in the United States Supreme Court case Schenck v. United States in 1919, which held that the defendant's speech in opposition to the draft during World War I was not protected free speech under the First Amendment of the United States Constitution. The case was later partially

Every summer, thousands gather from around the world in the blistering heat of Nevada's Black Rock Desert for the seven-day celebration of art, community, and fire known as Burning Man. Culminating in the spectacular incineration of a wooden effigy, this festival is grand-scale theater for self-expression, personal transformation, eclectic spirituality, communal bonding, and cultural renewal.
