VOLVO 142/144/145 OWNERS MANUAL 1973 | eBay  
In August 1966, Volvo presented a new 4-door car  
called the Volvo 144. It represented the start of an  
entirely new car series which, until the mid-1970s,  
accounted for Volvo's volume models. The styling of  
the 144 was truly timeless and this is confirmed by  
the fact that the car in developed form was still being  
sold successfully in the mid-1980s.
