Here, Volkswagen enthusiast and prolific author Richard Copping examines, for the first time, the complete story of the T4 from the Transporter concept originated forty years before its presence at VW's Hanover factory, through its development period and full production life. Topics covered include: the background story 1949-1990; design concept to production in the 1980s; full analysis of the T4's specifications; face-lifted Caravelles and Multivans from 1996 onwards; petrol- and diesel-aspirated engines including the VR6, V6 and 2.5 litre TDI; the T4 story in the USA - the Euro Van and finally camping conversions. The

complete story of the Volkswagen T4, produced between 1990 and 2003 and the first book in the English language to have been written, illustrated and published solely about the T4, beautifully illustrated with 300 colour photographs - a sparkling mixture of archive and modern-day imagery.

The ultimate guide to converting your Volkswagen T4 or T5 into a camper van, at home or in the workshop. With step-by-step instructions and photography throughout, this book clearly demonstrates how to safely and effectively transform your VW van into a practical, affordable camper using DIY skills, and basic hand and power tools. Geared towards the home-builder, the book covers: buying guides and planning; tools, materials, costs and legalities; insulation, carpet lining and flooring; fitting a pop-top roof and windows; building interior units, doors and drawers; fitting a rock and roll bed, roof beds and swivel seats, and finally, installing water, gas and electricity, with safety at the forefront. Fully illustrated with 435 colour photographs and step-by-instructions.
