With No Direction Home: Homeless Youth on the Road and in the Streets is an ethnography which describes the lives of youths living on the streets of New York City. The author attempts to conduct her own research in order to dispute the false impressions that many previous researches have formed about the youths living on the street.

In this critical review of Marni

Where To Download With No Direction Home Homeless Youth On The Road And In Finkelstein's ethnography "With No Direction Home: Homeless Youth on the Road and in the Streets" I will analyze and evaluate some of the strategies and methods used by this author. One primary issue I will discuss is the sample population. Finkelstein may have set the population limitations to strictly for this ethnography.
